July 01, 2023

Regarding: Assembly Bill 2260 "HEALTHY SCHOOLS ACT of 2000"

Dear Parent/Guardian and OUSD Employees:

The Healthy Schools Act of 2000 requires schools to provide parents/guardians of students and school staff with annual written notification of pesticides use. During the school year, it may be necessary to apply pesticides at your child's school to avoid serious health problems posed by pests or to maintain the integrity of the school buildings and grounds. Attached is a list of products we may need to use at our school sites during the 2023-24 school year.

The Act also provides parents/guardians and school employees the opportunity to register with the school district if they wish to be notified of individual pesticide applications at their specific school site. Persons who register for this notification will be notified at least 72 hours prior to any application by US Mail. Please provide registration information, even if you have registered in a prior year. To register, please send your name, address, student's name and school site to:

Operations Department - Ojai Unified School District  
Attn: Pesticide Notification  
P.O. Box 878  
Ojai, CA 93024

It is the intent of the Ojai Unified School District to minimize the use of chemical pesticides and, when their use cannot be avoided, to utilize the least toxic appropriate method. You may obtain additional information on pest management products and practices on the California Department of Pesticide Regulation's website at: <http://www.cdpr.ca.gov>. A copy of our Integrated Pest Management Plan can be found at: <https://www.ojaiusd.org/page/integrated-pest-management>

If you have any questions, please call me at 805-640-4300 ext. 1071

Sincerely,

Larry Davis  
Coordinator of Maintenance for OUSD
