

Riki Gerry Anderson Education & Nursing Scholarship

Scholarship Requirements

This \$500 North Powder Scholarship is offered by Richard & Sharon Gerry & Ali Abrego in memory and honor of Riki Gerry Anderson. To be considered for this scholarship the student must plan to major in (1) Elementary Education (2) Secondary Education, (3) Special Education or (4) Nursing. Priority will be given to the majors as listed in their chronological order.

To apply the student must type a two page letter describing their educational goals and how their strengths will be used in their future. The letter should explain why the student has chosen education or nursing as their major and what influences they might have had that lead to this decision. The student also needs to describe why they are the best candidate for this scholarship.

To prove you are a worthy candidate, emphasis should be given to your roles in leadership, job responsibility, extra- curricular activities, academics, and volunteer activities.

Students must have application letter submitted to Mrs. Colton by May 15. A selection committee consisting of the special education teacher, an elementary teacher, the guidance counselor, a high school math/science teacher and an arts/history high school teacher will determine which applicant will receive this scholarship. No member of the selection committee may have a possible recipient that is a relative. The scholarship money will be released to the recipient's college at the beginning of the second term.

Ali Abrego (if available) will present this scholarship at graduation, otherwise Mrs. Smith, Mrs. Colton or Mr. Dixon will present the scholarship.
