**ACT Aspire Guideline Reminders**

1. Early Morning Activities to be conducted well in advance of each assessment: ACT-Aspire, ELPA21, Renaissance/Star, ACT, & DLM Test starting time.
  - a. Ensure all computers are “booted” and at the Sign-In Screen.
  - b. Tickets have been printed containing the student’s name, assigned student number and student password. (Secure)
  - c. Know in advance whether or not the math allows “scratch paper”. Hopefully, you have clipboards for the labs with very little space between computers, Kleenex, and sharpened pencils.
  - d. Testing signs on the door.
  - e. No Cell Phones allowed.
  - f. Know who to call on the District ACT Aspire Phone Tree.
  - g. Relax, take a breath, and be thankful that you do not have to be accountable for test booklets. I predict you will believe this was not as bad as anticipated.
  - h. “Debrief” once completed. List the good, the bad, and the ugly. Send to my attention especially anything that needs to be fixed prior to next day test.
  - i. Leave labs ready for the next day test.
  - j. Thank the staff/students that are displaced or assisting by carrying on with business as usual. It takes a “village”.
2. Send your list of the following to my attention:
  - a. Follow directions listed in the Test Administrator/Test Coordinator’s Manual/Seal Codes (Secure)/Tickets (Secure).
  - b. Certified Test Administrators/Lab Assignments/Certified Proctors/Lab Assignments.
3. Reminder: Tech is “*working the test*”. Follow tech procedures as usual.
  - a. Reminder to staff, *not testing*, to stay off the internet, until after testing sessions are over each day.
  - b. Be reminded, High School and Middle School will be testing longer into the day.
4. Call me on my cell when needed.
5. The School Test Coordinator's Manual Addresses Security Issues along with the ADE Training PowerPoint.

January 14, 2019

Cell Phone/Electronic Device

- Staff Cell Phones shall be turned off and not accessible in the testing labs.
- Students and test administrators shall not have access to any device with photographic capabilities.
- Any electronic device that allows for communication shall not be accessible at any time during test administration (e.g., iPhones, Apple Watch, MP3 players, etc.).
- If necessary, collect and secure these items until the testing is completed and all test materials are secure.

Use of Prohibited Devices

- If any prohibited equipment/device is accessed during testing:
  - Immediately report any irregularities to the District Test Coordinator (DTC).
  - Immediately check that no information about the test has been saved, sent or received.
  - Refer to district policy for further actions regarding the student(s) or staff involved.
- All parties involved will write a signed statement:
  - Describing how the irregularity was handled.
  - Describing how the district policy was followed.
  - District Test Coordinator will send written statements to the ADE Office of Assessment, using the reporting form.
