Keep in mind:

- We will follow the same A/B schedule as we currently do Monday/Tuesday/Thursday/Friday
- Teachers will be available during staff office hours and during academic periods via Classroom and Email.
- Daily attendance will be centrally taken through Period 1 classes. Please note, this will be done via Google Forms and the form will be available for students to check in for attendance purposes. The form will be available throughout the day if needed in the Period 1 Classroom. It is recommended that students check in by 9:39 AM each day. The form will be linked via the Period 1 class in Google Classroom
- If a student does not check in during the day via the Google Form attendance sheet, the student will be marked absent
- If students cannot attend online during a given academic period, it is OK! Students are still expected to complete the work the teachers issued for the day and check in for attendance via Period 1 Google Classroom
- Administrative staff will also be available throughout the day via email.
- In a given academic period, if a staff member is unavailable for any reason students should complete work posted in Google Classroom
- We will not issue any homework in the event we are using this distance learning model.

On Wednesdays:

- Wednesdays will act as a flex/feedback/check-in day. Students should complete unfinished and current work in all Classroom pages and check in with teachers as necessary.
- Daily attendance will still be taken as described above in Period 1 A Day classes. On Wednesdays, please go to Period 1 A Day Google Classroom pages to complete the Google Form for attendance
- Staff will continue to update Google Classroom pages
- Students will work at their own pace and reach out to teachers as needed
- Teachers will spend the day providing feedback as necessary to students
- Office hours are still in effect
