

## South Gibson County High School Scholars' Prep Guide 2019-2020

Course: Work based Learning

Curriculum for the upcoming course and information of which students should be aware:

Work-Based Learning: Career Practicum is a capstone course intended to provide students with opportunities to apply the skills and knowledge learned in previous CTE and general education courses within a professional work environment. The course allows students to earn high school credit for select models of work-based learning, which allow students to interact with industry professionals in order to extend and deepen classroom work and support the development of postsecondary and career readiness knowledge and skills.

Areas that might be challenging for students:

Students are required to have a job and must work a minimum of 10 hours Monday- Friday. They must have their own transportation with proof of auto insurance. 90% attendance rate for class and work site.

Suggestions on how students can prepare for the upcoming course:

Workplace-Based: Students participate in individual work-based learning experiences in professional settings when they meet the hours required for full time course equivalent. These experiences include registered apprenticeships, cooperative education (co-op), and internships.

Suggested activities or resources (if applicable):

Students should participate in an aligned CTE program of study and/or other related courses prior to enrolling in this course. WBL experiences must reflect the student's long-term goals and interests and foster postsecondary and career preparation.
