

South Gibson County High School Scholars' Prep Guide 2019-2020

Course: Advanced Placement Psychology

Curriculum for the upcoming course and information of which students should be aware:

AP Psychology is a survey of topics related to the scientific study of human thinking, feeling, and behavior.

Areas that might be challenging for students:

Students will be required to engage in college level reading and writing outside of the school day on a consistent and daily basis.

Other areas that may be challenging for students include the following: reading expectations, close reading analysis, and extended writing assignments.

Suggestions on how students can prepare for the upcoming course:

Students can prepare for this class by developing independent study skills and building stamina for college level success.

*A Few formal meetings will occur to cover class expectations before the class begins in the spring.

Suggested activities or resources (if applicable):

Students will have the textbook available early before the class begins.
