June 10, 2020

Dear Elementary Parents/Guardians,

On Friday, June 12, 2020 the elementary report card will be available at 3:00 pm for parents to view in the Genesis Student Information Portal. With teacher input and thoughtful discussions, we have decided that for this trimester the report card will include the completion of the narrative section only.

As you know, our standards-based report card usually includes indicators with numerical benchmark ratings. Given the challenges associated with administering secure assessments in the remote learning environment, the administration felt that direct feedback regarding your child's overall progress would best be described in narrative form.

This change is only applicable to this third trimester. As we learn and grow our practices of remote education, we will continue to strive to provide you with the most informative feedback in regard to your child's progress. We wish you all a very happy, healthy, restful summer!
