6th-12th Grade

Who can attend?

Alcona Area Schools Students who are enrolled in the Behavioral Health Services and are in 6th-12th grade are interested in participating in a weekly group session focusing on social, emotional health and guidance.

What if I am not enrolled in those services and want to attend?

Contact Mrs. Marsh at marsh@alconaschools.net OR (650)503-9414 and she will assist you with setting up an intake. These services are billed through the insurance company and the E3 Grant, therefore, there is no cost for students who meet the medical necessity to attend.

When does it start?

*Groups will begin once we have enough students signed up. They will be located at the Middle High School, and will be 11am-12:30pm. They will be offered on Wednesday weekly, until August 19th, 2020. You are not required to attend all of the groups- come when you can. However, **YOU MUST CONTACT MRS. MARSH PRIOR TO ATTENDING.***

Safety Standards:

All students will be screened at the door to ensure they are not symptomatic for the COVID-19 prior to attendance. Face masks and areas to frequently hand wash and sanitize will be available.

We would love to see you! Please contact Mrs. Marsh at marsht@alconaschools.net OR (650)503-9414 to sign up.
