- Read all warning signs out loud so your children can hear the rules.
- Watch how the ride works and where to get on and off before boarding.
- Do not put your child on a ride if your child does not want to ride or appears to be afraid.
- Do not sneak your child onto a ride if your child does not meet the height requirements.
- Please do not let kids supervise kids. Instead, ride with your child if possible.

SAFETY RESTRICTIONS

- Due to safety restrictions, all rides are restricted by height, weight, and/or physical limitations. Where applicable these restrictions are posted at the entrance to the ride and will be strictly enforced in accordance with the Pennsylvania State Amusement Ride Inspection Act.
- Please stop at Guest Services in the CVS Family Health & Services Center if you have any questions concerning your exact height, ride specific restrictions, health recommendations, or any other restrictions. All restrictions subject to change. HERSEYPARK reserves the right to refuse any guest admission to a ride in accordance with the PA Rider Safety Act. For safety reasons, please leave loose items with your riders. This includes, but is not limited to, cameras and recording devices.

Guidelines for The Boardwalk At HERSEYPARK can be found on the reverse side.

Closing of Attractions

Closing of Attractions In the event of electrical storms, inclement weather, mechanical difficulties, or unforeseen circumstances, it may become necessary to temporarily close some rides, shows, attractions, and tram service to and from the parking lots.

Kiddie Swap If you have smaller children in your family and would like to ride height-restricted rides, let the ride attendant know you would like to take advantage of Kiddie Swap. The Kiddie Swap program allows parents to take turns riding while the other parent stands to the side with a child who is too short to ride, or when one parent has two children who need to be attended by an adult on a ride, the children may swap places.
