### At School:

- The schools are preparing for social distancing in classrooms, cafeterias, halls, and all areas.
- Additional safety procedures will be followed in the cafeteria, restrooms, recess, and buses.
- Masks are recommended if a child will be within six feet of another person for longer than 15 minutes. Masks will not be required at all times.
- Handwashing, hand sanitizing, and proper hygiene tips will be emphasized.
- As per state requirements, water fountains will not be used. Students may bring water bottles from home or purchase from the cafe.
- Clinics will have an isolated area for sick students.
- All areas will be cleaned and sanitized often each day.

### At Home:

- Verify that your children are healthy and well before sending them to school each day.
- Arrival time will be later: 7:45 a.m. for drop-offs and bus riders.
- Dismissal times are the same as last year.
- Remember to send a water bottle with your child.
- Parents and students may make the decision when masks are appropriate for the student. Masks are recommended if a child will be within six feet of another person for longer than 15 minutes. Masks will not be required at all times.
