Section III: Health and Wellness Goals

(Provide a detailed description of each required activity)

Indicate the LEA's compliance with the following Act 1220 requirements:

Goal 1: How will the LEA provide coordination and support to create a healthy nutrition environment for students? {Requirements: see 1 required activity.}

Goal 1 Measurable Objective

Students will be provided with access to a variety of affordable nutritious and appealing foods that meet the health and nutritious needs of students. Students will be provided with a clean and safe setting as well as adequate time for eating. WHSD meals comply with daily recommended guidelines. Cafeterias meet new federal nutrition standards by providing meals that are served with fresh fruit, vegetables and low fat milk. During the government shut down, families affected by that were offered free/ reduced priced meals. As a school we promote nutrition, healthy eating habits and active lifestyles. The physical education teacher follows the Education Physical Education and Health Curriculum Framework.
