RATIONALE AND RECOMMENDATIONS FOR IMPLEMENTATION

Every center (including multiple sites under the jurisdiction of one business, school, etc.) **must** have an on-site supervisor! The on-site supervisor is responsible for the day-to-day supervision of the center. Among other duties, the on-site supervisor is directly responsible for:

- ◆ The daily operation of the center and supervision of direct-care staff.
- ◆ Ensuring children are accounted for and proper record keeping is maintained.
- ◆ Scheduling activities and transportation needs.
- ◆ Ensuring information regarding exposure to communicable disease is posted immediately upon notification.
- ◆ Ensuring parents are immediately notified of emergency or other serious incidents.
- ◆ Ensuring information is communicated to parents at the end of the day etc.

These functions may be performed either in a dual role by the director, if the director remains on site, or by another person who meets the qualifications for an on-site supervisor.
