Mr. Dan Green – 40 Jefferson Avenue wanted to know how much the Bond Referendum would cost, would this be a Bond and if the referendum does not pass what is the plan?

Mrs. April Spelbrink – 150 South Street asked if trailers were an option as a temporary fix. She then inquired as to how many votes are needed to pass the referendum.

Mr. Michael Burke responded to all the Bond Referendum questions. He stated that the Board had reviewed several options to alleviate the overcrowding in our school district and has decided to go out for a Bond Referendum in September 2017. Our short term solution is to move the Board Of Education offices out of the high school and bring the Pre-K classes here to the middle school-high school which would free up one classroom in each elementary school for the 2017-2018 school year. We will be presenting, to the community, in the upcoming months, which will include details about cost, timing and long term and short term solutions and options.

Patricia Brown – 41 Adams Drive said she was concerned about having the Pre-K environment in the middle school-high school.

Mr. Michael Burke responded that NVRHS has had it in their high school for the past 10 years.

Mr. Eugene Gorfin – 91 Westervelt Place asked if Mr. Burke is happy with the PARCC results and if there is going to be any presentation on the results.

Mr. Michael Burke reviewed a brief history of the previous referendum from 2005.

Mr. Eugene Gorfin wanted to know where we stood on interviewing for a Vice-Principal.

Mr. Michael Burke stated that we received over 100 applications and we will start our interviewing process shortly and that we hope to have this person start by January 1, 2017.

Ms. Alba Shick – 27 Churchill – wanted to know if the new information on the funding formula proposed is at the state level yet.

Mr. Michael Burke replied that it is stalled at the moment and there has been no further action.

Ms. Alba Shick wanted to know if we are going to use PARCC to assess our students.

Mr. Michael Burke replied that the PARCC results will be used as one of many measures to assessment our students.

Ms. Ann Shark – 177 6th Street stated that she believes that the greatest increase in enrollment is in people purchasing single family homes.
