- Regular Meeting 3/24/2022

New Business

- Student Activity Account Transfer – Vote – Michael will present adjustments to inactive student activity accounts in order to zero out balances in categories that are no longer active. A vote will be required to approve the adjustments presented. The adjustment journal is included in your materials.

Old Business

- FY23 Budget Update - There have been no changes in the FY23 operating budget since our last meeting.
- Feedback and Discussion - Elementary School Project Listening Session April 7th
 - SOI Submission – Vote – As you know, the deadline to apply for the MSBA Core Program is quickly approaching. If the Committee wants me to submit the SOI on behalf of the District, it will need to vote on the MSBA approved motion included in your materials. The Medfield Board of Selectmen will also need to approve the action of submitting the SOI to MSBA. Three signatures are needed: Board of Selectman Chair, School Committee Chair, and the Superintendent of Schools. Also included in your materials is a memo that highlights my conversation with a Town Official from Martha's Vineyard regarding the "Tisbury Model" we keep hearing about in emails/publications.
- Former Medfield State Hospital Redevelopment Update & Discussion – Jess and I met with the representatives from the Redevelopment Committee this week. More information to follow.

- Donations – There are none at this time.
