Good Morning,

We have solicited interest for the Tri County School Committee representative from Medfield. To date we have received one application from Mr. Jack Rose (attached). Jack is very interested in the position and currently works as a PT inspector in the Building Department.

The appointment requires a joint vote of the Chair of the School Committee, Chair of the Board of Selectmen and the Town Moderator. I am hoping the School Committee can review and authorize you, Jess, to meet with the BOS on August 30th so we can make the appointment at the next BOS meeting.

Please let me know if that sounds reasonable and we will include it as our first item of business on 8/30.

Thank you!

Dear Kristine,

I am writing to express my interest in the Tri-county School Committee opening for the Town of Medfield. I believe my experience and professionalism aligns with the core mission of the school.

As a retired Construction Manager, I have a well-rounded skill set which includes management and training with good communication skills. My previous role as an apprentice training committee member with the Plumbers Union strengthens my capabilities.

I have had an interest in Tri-County Vocational School for a long time. My oldest son graduated from the school many years ago and after college became very successful in his profession. I also taught as a part time substitute teacher at Tri-County during that time.

I look forward to meeting with you to discuss how my experience and qualifications will prove valuable to the Town of Medfield.

Thank you for your time and consideration.

Sincerely,

John A. Rose
