

PARKERS CHAPEL BOOSTER CLUB

As we begin the 2017-2018 season at Parkers Chapel Schools, we are turning to YOU in hope of enlisting your support. The Booster Club is a great way for us to help support additional needs for our athletic programs that are unexpected or additional expenses that were not budgeted for these programs.

In 2016-2017, we provided over \$6,200 in equipment and other needs for school activities: Medical Bags stocked with supplies for football, baseball and softball; Food Warmers for concession stand; Grill for concession; Entry Fees for Cheer Competition and Camps; Portable L-Screen for baseball; Equipment Trailer; Portable Pitching Mound; Athletic Banquet Trophies; and some sport necessities for athletes in need.

A great business advertisement is our “fence of signs.” We found a new company last year that used a different material for our signs. They look great and held up to the weather better. The only problem is that the fence is not full!!! We need to sell more signs. This is our largest fundraiser.

WE NEED YOU! We need participation in club meetings, help with fundraisers, new businesses to purchase signs, help with the up-keep of the signs, and volunteers for Membership drives at ballgames and to work 50/50 tables. Last year we raised as much from the 50/50 sales and raffles that we had been making in previous years from the Fair Food Booth. Football and Basketball Concession Duties this year will be handled by Coach Jacobs, Athletic Director.

Booster Club also hosted a Baseball Jamboree to begin baseball season (unfortunately had to cancel the Softball) and we also provided and worked Summer Concession for the Junior American Legion Baseball Team (home games were played at Parkers Chapel).

Parents, Grandparents, Guardians, Student Athletes have always been great supporters of the Booster Club. The key to the future success of the booster club depends on EVERYONE pitching in to help support the Trojans.
