

# The **ABCs** of Cultivating a Growth Mindset

I **A**PPRECIATE how you did that.

The way you try is very **B**RAVE.

You found a **C**REATIVE solution.

New skills are usually **D**IFFICULT before they are easy.

Be **F**AIR to yourself, you'll **F**IGURE this out.

You keep **G**OING

even when things are hard.

Thank you for **H**ELPING with that.

You have really **I**MPROVED on that!

I see you're using great **J**UDGMENT.

**K** Your **N**OWLEDGE is growing.

I **L**OVE the effort you are making!

You **M**ADE a building, drawing, etc.

**N**EW skills take time to develop.

You did it on your **O**WN.

You're really **P**RACTICING that skill.

I like how you didn't **Q**UIT!

It looks like you are **R**EADY to take the next step.

You used a unique **S**TRATEGY

Mistakes are **T**RAINING your brain.

You **U**SED all the blue ink, glue, etc.

I can see your **V**ISION

I'm **W**ITH You.

I'm e**X**CITED to see what you do next.

You can't do it **Y**ET

Your **Z**EST for new things is contagious!
