RE: Robb Elementary School Tragedy

DATE: May 25, 2022

Abbeville School District Family,

Our thoughts and prayers go out to all those affected by the tragedy that occurred yesterday at Robb Elementary School. Our motto in Abbeville County School District is "Putting Students First." The safety and well-being of our students and staff will always be the top priority. Through Abbeville County School District funding and state grants, we have a full time SRO on every campus. We are thankful for our partnership with Sheriff Watson and his staff that serve us so well.

We are working in unison with our Sheriff's Department to ensure we are up to date with effective safety training and procedures. However, school safety must be a community/county wide effort. Please do not hesitate to contact your school or the district office if you know of a potential harmful situation.

If you have a student who is having a difficult time processing the events that occurred yesterday at Robb Elementary School, please do not hesitate to call the school or district office for assistance. We love our students and are committed to providing them with a safe and nurturing environment.

Sincerely,

Dr. Mason Gary
Superintendent
