GUSD families,

This morning, Governor Ducey announced the closure of schools through the end of the school year. We are saddened by this as we miss our students and the process of educating in person but respect the fact that all of us must do our part to flatten the COVID-19 curve. Each student will receive a call from their teacher or school as to how we will continue to partner with families to provide quality education even from a distance.

If there is one thing I know it is that Globe Tigers are resilient, strong and that we can excel at anything we put our minds to. As with everything else, we will tackle this challenge and succeed in Tiger fashion as we live up to our vision of ‘Capturing Hearts, Empowering Minds’! Go Tigers!
