Curriculum Instruction Accountability

Priority School's Plan of Improvement

Priority 1 Data based decision making

The PSRC Curriculum, Instruction, and Accountability Department will work collaboratively with priority schools to analyze data and root causes to identify actions, strategies, and interventions for the school improvement plan (NC Star).

Measure:
EOG, EOC, ACT, SAT,
Work Keys, VOCATS
Scores

Priority 2 Collaborative planning

The PSRC CIA Department will work with Priority School administrators to ensure that school schedules provide adequate time during the regular school day and after school for teachers to collaboratively plan instruction that addresses the content of the North Carolina Standard Course of Study.

Measure:
Master Schedule
Reviews

Priority 3 Needs based professional development

The PSRC CIA will provide professional development that meets the individual needs of Priority Schools based upon BOG, EOG, EOC, Benchmark, mClass, and formative assessment data.

Measure:
PD Surveys and EOG,
EOC, ACT, SAT, Work
Keys, VOCATS Scores

Priority 4 Implementation of PSRC Collaboration in Action Structure

The PSRC CIA will assist priority schools with the implementation of the PSRC Collaboration in Action Structure. The structure will be used to analyze benchmark data and create lessons that are informed by the data to meet short term instructional goals that align with the long term goals of the SIP.

Measure:
EOG, EOC, ACT, SAT,
Work Keys, VOCATS
Scores
