

Dear New Pekin High School Dragon,

How do you want to remember high school? How do you want people to remember you? These are questions that you should consider NOW! Joining extracurricular activities is one way to leave your mark on PCHS, but you should also consider getting involved in the community. Helping others is very rewarding, and you will be rewarded for your efforts!

If you earn and document 100 hours of service over the next 4 years, you will receive a Community Service Award certificate, be recognized at graduation, and also earn recognition community wide. Use the form below to get started. Additional forms are available in the Principal's Office.

You may start documenting hours as soon as you graduate from your junior high school. You are encouraged to turn in forms by the last Friday in April each year. Once the deadline has passed, hours earned before the due date may not be counted for that year if they cannot be verified.

You may volunteer with an organized group or on your own. Visit this link for a list of organizations in need of volunteers: <http://www.pekinchamber.com/LocalOrganizaitons.htm>
