## AISES Club Rules and Guidelines

### American Indian Science and Engineering Society

#### Mission Statement

The American Indian Science and Engineering Society (AISES) is a national non-profit organization which nurtures building of community by bridging science and technology with traditional Native values. Through its educational programs, AISES provides opportunities for American Indians and Native Alaskans to pursue studies in science, engineering, business and other academic arenas. The trained professionals then become technologically informed leaders within the Indian Community. The ultimate goal of AISES is to be a catalyst for the advancement of American Indians and Native Alaskans as they seek to become self-determined members of society.

#### Purpose

The purpose of the AISES club will be to conduct meetings and activities, which will enhance the attainment of the goal's set forth in the mission statement.

#### Rules

1. AISES, a school sponsored club is open to all American Indians and Native Alaskan students with a ED506 number on file in grades 7 – 12 with a 3.0 Grade Point Average.
