

Employee's Student, School to School Transportation Request

Cleveland City Schools is providing transportation for students of CCS employees from school to school as a courtesy as long as there is capacity on the school buses to offer the service.

Transportation for your child will begin on August 21, 2017. We need two weeks to settle in and see just what buses have room to accommodate this group of students.

Be aware that this service does not extend to extracurricular activities at other schools.

Please fill out the attached form and return it to Transportation via the Pony that runs on Tuesdays and Fridays.

Thank you,
