ORGANIZATION CHART/LINES OF RESPONSIBILITY

BP 2110

All schools and departments shall form a single administrative system organized so that appropriate decision-making may take place at various levels in accordance with Iditarod School Board policy and administrative regulations. The Superintendent or designee shall maintain a current district organization chart, approved by the Iditarod School Board, which identifies lines of primary responsibility and the relationships between district positions.

The organization chart should clarify working relationships and functions. It is not intended to indicate all the lines of communication and cooperation which must exist to create successful and effective schools. The Superintendent or designee shall insure that all personnel understand to whom they are responsible and for what functions. Lines of responsibility should in no way prevent staff members at all levels from cooperating to develop the best possible school programs and services.

SUPERINTENDENT OF SCHOOLS

BP 2120

Note: As of July 1, 1998 school districts are no longer required to hire a superintendent. While hiring of a superintendent is now permissive, AASB recommends that School Boards work closely with their legal counsel prior to the selection of an alternative administrative structure.

The Superintendent or designee is the chief executive officer and educational leader of the district. He/she executes all Iditarod School Board decisions and is accountable to the Iditarod School Board for managing the schools in accordance with the Iditarod School Board's policies. He/she informs the Iditarod School Board about school programs, practices and problems and provides professional advice on items requiring Iditarod School Board action.

The Iditarod School Board delegates to the Superintendent or designee the power to make decisions concerning internal operations of the district. The Superintendent or designee may delegate to other school staff any duties imposed upon him/her by the policies or vote of the Iditarod School Board, as far as the law permits. This delegation of power or duty shall not relieve the Superintendent or designee of responsibility for actions taken by his/her designees.

The Superintendent or designee shall have general supervision of all personnel and shall develop and execute consistent, fair and fiscally sound personnel procedures and practices, including an evaluation program for all district employees. He/she shall oversee all financial operations of the district and actively seek out new funding sources for the schools.

The Superintendent or designee shall take an active leadership role in the development and improvement of the instructional program. He/she is expected to create a feeling of unity and enthusiasm among students and staff for the accomplishment of district goals.

The Superintendent or designee shall articulate educational issues and values before the community and other governmental agencies. He/she shall be accessible to community members and shall work with them to further the district's goals and build a strong, positive community attitude toward the school system.

The Iditarod School Board expects the Superintendent or designee to remain current on educational thought and practices by reading educational publications, attending educational conferences, and visiting other school systems in the interest of improving the district's instructional program and overall operation. The Superintendent or designee shall inform the Iditarod School Board and staff of new developments and significant events in the field of education.

BP 2121

Note: A.S. 14.14.130 allows for the employment of a chief school administrator and permits the School Board to employ a chief school administrator by contract. AS 14.20.130 limits the employment contract for the Superintendent to a term of three years.

The Iditarod School Board shall employ a Superintendent or designee to serve as its Chief School Administrator for a contract term of not more than three years. Prior to entering into an employment contract with the Superintendent or designee, the Iditarod School Board shall have the contract reviewed by legal counsel.

Note: "Evergreen" or "roll-over" contracts continually extend the full life of a contract and should be carefully reviewed if considered.

The Iditarod School Board shall notify the Superintendent or designee of its intention not to renew his/her contract early enough to ensure compliance with any notice requirements of the existing contract. Any extension of the life of the contract shall be contingent upon a satisfactory evaluation of the Superintendent or designee's performance.

EVALUATION OF THE SUPERINTENDENT

BP 2123

The Iditarod School Board believes that an annual evaluation of the Superintendent or designee's performance strengthens working relationships between the Superintendent or designee and the Iditarod School Board. The evaluation process should clarify the Superintendent or designee's role and give the Iditarod School Board and Superintendent or designee an opportunity to jointly identify immediate priorities among the Superintendent or designee's many responsibilities. Evaluations also should help the Iditarod School Board to monitor progress toward established goals and to set reasonable criteria for salary increases and/or contract extension.

The Iditarod School Board shall meet with the Superintendent or designee to discuss the evaluation, including commendations in areas of strength and recommendations for improving effectiveness. The Superintendent or designee and Iditarod School Board members shall agree upon and sign an evaluation summary. Additional evaluations may be arranged at any time during the school year at the request of either the Iditarod School Board or the Superintendent or designee.

(cf. 2121 - Superintendent's Contract)

The evaluation process shall be reviewed before February 28th of each calendar year to determine whether any of the following steps need improvement:

1. developing or reviewing/revising the Superintendent or designee's job description.
2. adopting or reviewing/revising evaluation policy.
3. establishing clear criteria to include progress on district goals.
4. establishing or reviewing/revising the evaluation process.
5. carrying out the evaluation.
6. summarizing the results.
7. discussing the results with the Superintendent or designee.
8. developing a plan for growth and improvement.
