

Class Pledge

Respectful, Responsible, Ready to Learn Pledge

I pledge to try to do my best every single day.

I will be a respectful, responsible learner when I work and play.

Keeping hands and feet to myself, treating others with respect, making sure my things are neat, is what I should expect.

I will not be a bully, because bullying is not cool.

I'll listen when adults speak and follow every rule.

I promise to be a great learner in my classroom and my school.
