

MISSION STATEMENT

Northeast Bradford School District will implement the School Wide Positive Behavior Support plan in order to encourage the development of life-long learners in a safe and positive environment. This mission will be promoted for every student, every teacher, every day through preparation, respect, integrity, dedication, and empathy.

The plan consists of the following:

- 5 broad school rules
- Lessons built into the school day to teach appropriate behavior
- Positive reinforcement for the students following the rules

Here's how parents can help:

- Ask your child about his/her day
- Maintain communication with your child's teacher throughout the year
- Discuss PRIDE
- Reward your child for positive behavior
