2023 - 2024 School Supply List

All textbooks and educational materials are provided by the North Little Rock School District. We do, however, appreciate your assistance in providing general school supplies. Please note some items need to be labeled with your child's name. Other items may be pooled for general use; please explain this to your child before school starts. In addition to items on this list, your child's classroom teacher may request specific items throughout the year, as he/she introduces a particular skill, concept, or project. Thank you in advance for providing the requested supplies.
