Returning Student Registration Window Now Open

It's time to register your **Returning Student** for the 2022-2023 school year! A **Returning Student** is a student who finished the 2021-2022 school year in the NLRSD. A student who finished fifth grade or eighth grade last year in the NLRSD is considered a **Returning Student** even if they'll be going to school in a different building. You must register using the link in your email from the Arkansas State Department of Education. Please call (501) 771-8050 for questions.

P-EBT Information

Did you have a K-12th grade student absent from school this past school year due to COVID-19 related isolation and quarantines? If so, your student is eligible to receive food support for the days they missed!
