February 1, 2023

Dear North Little Rock School District Employees, Parents, and Caregivers,

Due to the inclement weather, we will continue with 100% remote learning for **Thursday, February 2, 2023**. As a result, **all after-school activities, athletic events, and practices for Thursday, February 2, 2023, are canceled, as all schools and Central Office sites will be closed.** No transportation or food services will be provided.

Remote learning requires students to log on to participate in live instruction. All students will follow the remote learning schedule. Although Thursday, February 2, 2023, will be 100% remote learning, students will be required to log in to Google Classroom for attendance to complete assignments and to collaborate with teachers. All students will follow their school's attendance plan that is used. Principals will communicate with their respective communities to provide additional information.

Due to extenuating circumstances, including a loss of power, students may have up to five days to complete assignments upon return to campus.

We will inform you if we must extend remote learning days for this week. The safety of our students and staff is our top priority.

In addition, both the Special Board Meeting and Board Workshop scheduled for Thursday, February 2, 2023, have been postponed. It will now take place on Thursday, February 9, 2023, beginning at 5:30 p.m.

Please be safe and stay warm. Thank you for being a part of the North Little Rock School District.

Sincerely,

Gregory J. Pilewski, Ed.D.
Superintendent of Schools
