The NLR COE is a public charter school housed inside the high school building. The COE began six years ago, yet many people may still have questions about us and what we do differently-we are delighted to share this with you. If you would like to know more about NLR Center of Excellence, please join us in our upcoming Zoom meeting, this coming Wednesday, March 1st, at 5 pm.

In the Zoom meeting, I will be sharing core information and answering any questions you may have about our outstanding school. NLR Center of Excellence has been and is a great fit for many of our community's diversely gifted secondary students. If you are interested in discovering if NLR Center of Excellence is the right fit for you, I ask that you join me Wednesday evening.

Karla Whisnant is inviting you to a scheduled Zoom meeting.

Topic: What is the Center of Excellence?
