PARENT/STUDENT STATEMENT OF INSURANCE COVERAGE FOR STUDENTS PARTICIPATING IN SPORTS

2023-2024

The Board of Education and school personnel of the Bunker Hill School District are vitally interested in the safety and well-being of our students. We are concerned that students who participate in extracurricular athletic programs have adequate insurance coverage in case of injury.

All students participating in an extra-curricular activity must be covered by a health insurance provider. Information has been supplied at school registration to all students of an insurance plan that has been approved by the Board of Education. Additional information on this insurance policy can be obtained at the Superintendent's office.

If a parent/ student desires, coverage may be obtained on an individual basis. You must provide an indication of your own policy to the school of enrollment in order to meet this requirement for participation.
