GENERAL OVERVIEW

Purpose

The Board of Trustees adopted this Student Code of Conduct (SCC) to promote a safe, secure, and optimal learning environment for all students. Inside you will find information regarding:

- The District-wide discipline management plan,
- A description of prohibited conduct,
- The disciplinary options, methods, and consequences for preventing and addressing student misconduct, and
- The process the District will follow when administering disciplinary consequences.

If there is a conflict between the SCC and Student Handbook, the terms of the SCC will control. If there is a conflict between the SCC and District Policy, the more recently adopted item will control.

Additional Rules

Students may be subject to campus, classroom, extracurricular, and/or organization rules in addition to those found in the SCC. Students may face consequences under these additional rules as well as possible disciplinary action under the SCC. Further, to the extent a student engages in misconduct that is not specifically addressed in the SCC, the student may still be disciplined if the misconduct disrupts or interferes with the educational process, learning environment, or school safety.

General Standards of Student Conduct

In order to promote a positive educational experience for all students, the District expects students to adhere to seven basic standards of conduct: (1) exercise self-control, self-respect, and self-discipline, (2) demonstrate a positive attitude, (3) respect the rights and feelings of others, (4) respect school property, (5) support the learning process, (6) adhere to rules, and (7) promote a safe environment. Because of significant variations in student conduct, it is not always possible for the SCC to address each and every act of student misbehavior. To that end, the District retains discretion to address student misconduct that is inconsistent with these seven standards even though the conduct may not be specifically included in the SCC.

Notice of Disciplinary Action

Teachers and administrators strive to notify parents/guardians of student conduct concerns as they occur. If a student is placed in in-school or out-of-school suspension, placed in a disciplinary alternative education program, expelled from school, assigned to a juvenile justice alternative education program, or taken into custody by a law enforcement officer, the campus behavior coordinator will promptly contact the parent/guardian by phone or in person and will also make a good faith effort to provide the student with written notice of the disciplinary action to be delivered to the parent/guardian on the same day the consequence is assigned. If the parent/guardian is not reached by phone or in person by 5:00 p.m. on the first business day after the disciplinary consequence is assigned, written notice will be sent to the parent's/guardian's last known address. Another campus administrator may provide notice of disciplinary action if the campus behavior coordinator is not able or available to provide notice. Failure to send any notice within this time period or as noted elsewhere in the SCC does not preclude imposing a discipline consequence.

Anti-Discrimination

The District does not discriminate against students on the basis of race, sex, national origin, disability, religion, color, or ethnicity when enforcing the provisions of the SCC.

Discipline of Students With Special Needs

While this Code of Conduct applies to all students, students who are eligible for services under the Individuals with Disabilities Education Act (IDEA) or Section 504 of the Rehabilitation Act of 1973 are subject to discipline in accordance with those laws. For more information about those specific procedures, please contact Cathy L. Lauer, Ph.D., Superintendent at 830-582-1536 ext. 103. A student enrolled in a special education program may not be disciplined for bullying, harassment, or making hit lists until an ARD meeting is conducted.

Discipline Appeals

Appeals of disciplinary measures should be directed to the student's teacher or campus administrator, as described in local District policy FNG. Depending on the disciplinary consequence assigned, different complaint procedures may apply. A copy of the appropriate policy is available at the campus or central administration office or online at <http://pol.tasb.org/Home/Index/515>. Timelines for filing appeals stated in the policy will be enforced. Disciplinary consequences will not be delayed or deferred pending the outcome of an appeal.

Effect of Student Withdrawal

Withdrawal from school after a student has been accused of a violations on the SCC will not prevent the District from investigating the alleged violation and, if it is determined that a violation did occur, assessing the appropriate disciplinary consequence and enforcing that consequence should the student re-enroll in the District.

SCOPE OF THE DISTRICT'S DISCIPLINARY AUTHORITY

General Authority

In addition to the disciplinary authority established for certain types of offenses as described within the SCC, the District has general disciplinary authority over a student at the following times:

- At any time during the school day
- While traveling to and from school or school activities on District transportation
- While attending any school-sponsored or school-related activity, regardless of time or location
- As provided in extracurricular or organization handbooks, by-laws, or constitutions
- During lunch periods, including those in which a student leaves the campus
- While on school property
- For any school-related misconduct, regardless of time or location
- Other off campus conduct as permitted by Chapter 37 of the Texas Education Code
- For certain offenses committed within 300 feet of school property as measured from any point on the school's real property boundary line.
- If the student is a registered sex offender.

Searches

A student's clothing, personal property, electronic equipment, method of transportation, or school property used by the student (such as lockers or desks) may be searched when there is reasonable cause to believe the search will reveal articles or materials prohibited by the District. Students are responsible for ensuring that any personal property, method of transportation, or school property used by the student does not contain prohibited items. Students may be disciplined for possession of prohibited items discovered during a search. For more information about searches, please review the District's Student Handbook and local policy FNF.

Criminal Conduct

School administrators will report crimes as required by law and may contact local law enforcement regarding suspected criminal activity. Certain acts of misconduct may constitute criminal offenses in addition to violations of the SCC. Because school discipline is independent of criminal proceedings, disciplinary consequences may not be postponed pending the outcome of any criminal proceeding or affected by the outcome of any criminal proceeding.

Finally, as the District expects its students to adhere to certain standards of conduct, the District also expects that parents of our students and other visitors will comply with the same standards of conduct expected of students. Accordingly, a school administrator, resources officer, or school district peace officer may refuse to allow a person to enter or may eject a person from any property under the control of the school district if the person refuses to leave peaceably upon request and 1) the person poses a substantial risk of harm to themselves or others or 2) is behaving in a way that is inappropriate for a school setting. Such a removal is appropriate and permissible if, prior to person being removed from District property, 1) the school employee issued a verbal warning that the behavior was inappropriate and could lead to the person's removal of the individual and 2) the person persisted in the behavior. If the person's removal results in a long-term prohibition from returning to school property, the term of the removal cannot exceed two years. At the time of removal, the school district must make a record of the verbal warning the person receives and must provide to the person a written explanation of the appeal process. The Commissioner of Education will adopt an appeals procedure for such removals, which will become effective immediately upon final adoption. Until such time as the Commissioner's procedures are adopted, any person removed from District property may appeal such removal under Board policy FNG (Local) or (GF) (Local).

DISCIPLINE CONSIDERATIONS & TECHNIQUES

Discipline Considerations

Using their professional judgment, District employees will consider a variety of factors when administering disciplinary consequences and determining the duration of the consequence, including but not limited to:

- The degree of severity and the risk of danger
- The effect of the misconduct
- The age and grade level of the student
- Legal requirements
- The frequency of the misconduct
- The student's demeanor

When deciding to order the out-of-school suspension, DAEP placement, expulsion, or placement in JJAEP of a student the District will also consider: (1) self-defense (see definitions), and (2) the student's intent (see definitions) or lack of *intent at the time* of the misconduct, (3) the student's disciplinary history, and (4) a disability that substantially impairs the student's capacity to appreciate the wrongfulness of the student's conduct to the extent required by state and federal law. These factors will be taken into consideration regardless of whether it is a discretionary or mandatory disciplinary consequence.

A student who, upon investigation, is found to be subject to bullying (see definitions) will not be disciplined on the basis of using reasonable self-defense (see definitions) in response to the bullying, as determined by the campus administration.

Discipline Management Techniques

Discipline is designed to correct student behavior and encourage students to comply with school rules. REMOVAL FROM DISTRICT TRANSPORTATION

Reasons for Removal

Appropriate student behavior is essential to the safe operation of District transportation. Students must comply with the expectations of the SCC while using District transportation. In addition to compliance with the SCC, students are expected to comply with the following rules:

- Enter and exit transportation in an orderly manner at the designated stop
- Remain seated in designated seats facing forward
- Keep aisles clear of books, bags, instruments, feet, or other obstructions
- Comply with lawful directives issued by the driver
- Follow the driver's rules for food or beverages
- Do not extend any body parts, clothing, or other article outside of the transportation
- Keep hands, feet, other body parts, or objects to yourself
- Refrain from making loud or distracting noises
- Do not obstruct the driver's view
- Do not throw objects inside the transportation or out of the windows or doors
- Do not mark, deface, destruct, or tamper with seats, windows, emergency doors, or other equipment
- Do not possess or use any form of tobacco on school bus

Procedure for Removal

A driver of District owned or operated transportation may send a student to the administrator's office to maintain discipline during transport to or from school or a school-sponsored or school-related activity to enforce the transportation rules or when the student engages in behavior that violated the SCC. The administrator may use one of more discipline management techniques to address the behavior, which may include temporarily suspending or permanently revoking school transportation privileges.

The student will be informed of the reason for suspension or revocation of transportation privileges and will be given an opportunity to respond before the administrator's decision is final. Suspension of transportation privileges does not excuse a student from attending school. It is the responsibility of the parent/guardian and/or student to make alternate transportation arrangement to and from school.

REMOVAL FROM CLASSROOM BY TEACHER

Ordinary Teacher Removal

A teacher may send a student to the administrator's office to maintain discipline in the classroom or when the student engages in behavior that violates the SCC. For these informal removals, the behavior coordinator will use one of more discipline management techniques to address and improve the student's behavior before returning the student to the classroom. If the student's behavior does not improve, the behavior coordinator will employ other discipline techniques or progressive interventions to improve the student's conduct.

Formal Teacher Removal

A teacher may remove a student from class when:

- The student's behavior has been documented by the teacher as repeatedly interfering with the teacher's ability to teach or with the learning of other students; or
- The behavior is so unruly, disruptive, or abusive that it seriously interferes with the teacher's ability to teach or with the learning of other students.

A teacher must remove a student from class if the student engages in conduct that requires or permits DAEP placement or expulsion under the Texas Education Code, in which case the procedures for DAEP placement or expulsion will apply.

Placement During Removal

When a teacher utilizes a formal removal of the student from the classroom, the administrator may place the student in: (1) another appropriate classroom, (2) in-school suspension, (3) out-of-school suspension, or (4) DAEP.

Procedures for Teacher Removal

No later than three school days after a teacher has formally removed a student from class, an administrator will schedule a conference with the administrator, the student's parent/guardian, the student, and the teacher. At the conference, the student will be provided an explanation of the basis for removal and be given an opportunity to respond. After the conference, the administrator will render a discipline decision and inform the student and parent/guardian of the consequences.

Return to the Classroom

If the teacher removed the student from class because the student engaged in assault resulting in bodily injury, aggravated assault, sexual assault, or aggravated sexual assault against the teacher, the student may not be returned to the teacher's class without the teacher's consent. In other cases where the teacher initiates a formal removal, the student may only be returned to the teacher's class without the teacher's consent if the Placement Review Committee determines that the teacher's class is the best or only alternative.

IN-SCHOOL SUSPENSION (ISS)

Reasons for ISS

Students may be placed in ISS for any misconduct listed in any category of the SCC.

Procedures for ISS

The student will be informed of the reason for placement in ISS and be given an opportunity to respond before the administrator's decision is final. While in ISS the student will complete assignments for his or her teacher.

OUT-OF-SCHOOL SUSPENSION (OSS)

Reasons for OSS

Students may be suspended from school for any misconduct listed in any category of the SCC.

Procedures for OSS

The student will be informed of the reason for out-of-school suspension and be given an opportunity to respond before the administrator's decision is final. While the student is suspended, the administrator may place restrictions on the student's participation in school-sponsored or school-related activities. Students may be suspended for a maximum of three school days per behavior violation.

Assignments During OSS

The student will be required to complete all class assignments, homework, tests, and other academic work covered during the suspension. The student will have the opportunity to receive full credit for completed academic work when submitted in a timely manner and in accordance with the teacher or administrator's instructions.

Grade Level Restriction

A student who is in second grade or younger cannot receive an out-of-school suspension unless, while at school or at a school-sponsored activity, the student engages in conduct that contains the elements of an offense related to weapons or a violent offense, or unless the student engages in selling, giving, or delivering to another person or possessing, using, or being under the influence of marijuana or a controlled substance, a dangerous drug, or an alcoholic beverage.

DISCIPLINARY ALTERNATIVE EDUCATION PROGRAM (DAEP)

Reasons For Mandatory DAEP Placement

School-Related. A student must be placed in DAEP for any of the following misconduct if committed while on school property, within 300 feet of school property as measured from any point on the school's real property boundary line, or while attending a school-sponsored activity on or off school property:

- Engages in conduct punishable as a felony.
- Commits an assault (see definitions) resulting in bodily injury (see definitions) to another.
- Sells, gives, delivers, possesses, uses, or is under the influence of marijuana, a controlled substance (see definitions), a dangerous drug (see definitions), or an alcoholic beverage (see definitions) in any amount

not punishable as a felony. Students will be expelled for the 2nd infraction occurring in the same school year.

- Commits a serious act or offense while under the influence of an alcoholic beverage if the conduct is not punishable as a felony. Students will be expelled for the 2nd infraction occurring in the same year.
- Engages in an offense relating to *abusable volatile* chemicals (see definitions). Students will be expelled for the 2nd infraction occurring in the same school year.
- Sells, gives, delivers, possesses, uses, or is under the influence of designer drugs, synthetic marijuana, synthetic cannabinoids (such as K2 or spice), stimulants (such as bath salts), or analogs or any drug in any form, regardless of whether currently scheduled or classified as an illegal drug under state or federal law and regardless of whether the substance is legally sold or marketed as “herbal incense,” “potpourri,” “bath salts,” or “not for human consumption.”
- Possesses, other than on his or her person, or uses a firearm or club (see definitions) as defined by state law. Note: Possession of a firearm as defined by federal law is an expellable offense.
- Possesses or uses a deadly weapon (see definitions).
- Possesses, other than on his or her person, or uses an illegal knife (see definitions).
- Engaged in public lewdness (see definitions).
- Engages in indecent exposure (see definitions).
- Possesses or uses a knife.
- Engages in expellable conduct if the student is between six and nine years of age.
- Engages in a federal firearm offense if the student is six years of age or younger.

Off-Campus. A student must be placed in DAEP for engaging in a Title 5 (see definitions) felony offense or aggravated robbery while off-campus and not in attendance at a school-sponsored or school-related activity if:

- The student receives deferred prosecution,
- A court or jury finds the student engaged in delinquent conduct, or
- The Superintendent or Superintendent’s designee has a reasonable belief that the student has engaged in the conduct defined as either a Title V felony offense or aggravated robbery (as defined in the Penal Code).

Regardless of Location. A student must be placed in DAEP if the student engages in the following misconduct, regardless of whether the conduct occurred on or off campus:

- Issues a false alarm or report (see definitions) or a terroristic threat (see definitions) involving a public school. Students will be expelled for the 2nd infraction occurring in the same school year.
- Retaliates (see definitions) against any school employee.
- Is involved with a public school fraternity, sorority, secret society, or gang (see definitions), including participating as a member or pledge, or soliciting another person to become a member or pledge.
- Is involved with a criminal street gang (see definitions) or encourages, solicits, enables, or causes another to become a member of a criminal street gang.
- Engages in criminal mischief if the damage is less than \$2,500 but equal to or greater than \$750.
- A registered sex offender (see definitions) under court supervision, probation, community supervision, or parole.

Students who are: (1) convicted of continuous sexual abuse of a young child or children; (2) convicted, received deferred adjudication or deferred prosecution, been found to have engaged in delinquent conduct or conduct in need of supervision or been placed on probation for either sexual assault or aggravated sexual assault against another student assigned to the same campus at the time of offense occurred will be placed in DAEP (or JJAEP as appropriate) on the request of the victim's parents if the victim student does not wish to transfer, and there is only one campus serving that grade level. Placement in this circumstance may be for any length of time considered necessary.

Reasons for Discretionary DAEP Placement

School-Related. A student may be placed in DAEP for any of the following misconduct if committed while on school property, within 300 feet of school property as measured from any point on the school's real property boundary line, or while attending a school-sponsored or school activity on or off school property:

- Possessing, giving, buying or selling less than a usable amount of stems, seeds or other pieces of marijuana.
- Possessing, using, selling, buying, or giving paraphernalia (see definitions) related to any prohibited substance, including but not limited to marijuana, a controlled substance, a dangerous drug, or an alcoholic beverage.
- Abusing the student's own prescription drug or using it in a way other than prescribed; giving, buying, or selling a prescription drug; possessing, using, or being under the influence of another person's prescription drug.
- Offering to sell any amount of marijuana, a controlled substance (see definitions), a dangerous drug (see definitions), an *abusable* volatile chemical (see definitions), a prescription drug, or an alcoholic beverage (see definitions).
- Preparing a hit list (see definitions).
- Committing any offense included in the list of "General Types of Prohibited Misconduct" in this SCC.
- Engaging in persistent (see definitions) misbehavior that violates this SCC.

Off-Campus. A student may be placed in DAEP for engaging in the following misconduct while off-campus and not in attendance at a school-sponsored or school-related activity:

- The administrator reasonably believes the student engaged in conduct punishable as a felony (other than aggravated robbery or a Title 5 felony), and the student's continued presence in the regular classroom is a threat to the safety of others or is detrimental to the educational process.
- Off-campus conduct for which DAEP placement is required by state law when the administrator does not learn of the conduct until more than a year passes after the conduct occurred.

Regardless of Location. A student may be placed in DAEP if the student engages in the following misconduct, regardless of whether the conduct occurred on or off campus:

- If the student is a registered sex offender (see definitions) who is not under any form of court supervision. A registered sex offender who is not under any form of court supervision will be placed in regular classes if the student is not a threat to the safety of others, is not detrimental to the educational process, and such placement is not contrary to the best interests of the District's students.
- Engages in criminal mischief if the damage is less than \$750.

- Engages in bullying (see definitions) that encourages a student to commit or attempt to commit suicide; incites violence against a student through group bullying.
- Releases intimate visual material of a minor or a student who is 18 years of age or older without the student's consent.
- Threatens to release intimate visual material of a minor of a student who is 18 years of age or older with the student's consent.

Emergency DAEP Placement

An administrator may order an emergency DAEP placement if the student has been so unruly, disruptive, or abusive that it seriously interferes with the teacher's ability to teach the class, the learning of other students, or the operation of a school-related or a school-sponsored activity. The reason for emergency placement must also be a reason for which DAEP placement could be ordered on a non-emergency basis. At the time of the emergency placement, the student will be told the reason for the action.

No Later than the tenth day after the date of emergency DAEP placement, the student will be given a conference as required for regular placement in DAEP, see below.

Procedures for DAEP Placement

Conference. No later than three school days after the student is removed from class, the campus administrator will schedule a conference with the campus behavior coordinator or other appropriate administrator, the student's parent/guardian, and the student. At the conference, the administrator will explain the allegations against the student, inform the student of the basis for the proposed DAEP placement, and give the student an opportunity to explain his or her version of the incident. The District may conduct the conference and make a discipline decision regardless of whether the student or the student's parent/guardian attends if the District made reasonable attempts to have them attend.

If during the term of DAEP placement the student engages in additional misconduct, additional conferences may be conducted and additional discipline may be imposed.

Interim Placement. Until a placement conference can be held, the student may be placed in another appropriate classroom, in-school suspension, or out-of-school suspension. The student may not be returned to the regular classroom pending the placement conference.

DAEP Placement Order. If the outcome of the conference is to place the student in DAEP, the campus administrator will issue a DAEP placement order. If the length of placement differs from the guidelines included in the SCC, the DAEP placement order will give notice of the inconsistency.

A copy of the DAEP placement order will be sent to the student and student's parent/guardian. For those students placed in DAEP for a reason identified in the Texas Education Code, the District will also send the juvenile court a copy of the DAEP placement order no later than the second business day after the placement conference. A copy of the DAEP placement order will be included with any records sent to a school where the student seeks to enroll. The enrolling school district has discretion to enforce the DAEP placement order.

Length of DAEP Placement

The length of a student's placement in DAEP will be determined on a case-by-case basis using the criteria identified in the "Discipline Considerations" section of the SCC. All DAEP placements will result in placements for up to 180 school days. The length of DAEP placement may not exceed one year unless, after the review,

the District determines that (1) the student is a safety threat, or (2) extended placement is in the best interest of the student.

Students placed in DAEP at the end of one school year may be required to complete the assigned term at the beginning of the next school year. For DAEP placement to extend beyond the end of the school year, the administrator must determine that: (1) the student's presence in the regular classroom or campus presents a danger of physical harm to the student or others; or (2) the student has engaged in serious or persistent misbehavior that violates the SCC. For purposes of this section only, "serious or persistent misbehavior" means any misconduct identified as being punishable with placement in DAEP or expulsion or three or more violations of the SCC or repeated occurrences of the same violation.

If the DAEP placement extends beyond 60 days or the end of the next grading period, whichever is sooner, the student or the student's parent/guardian may participate in a proceeding before the Board or Board's designee as provided in policy FNG (LOCAL). Any decision of the board is final and may not be appealed.

The general SCC rules for DAEP placement apply to registered student sex offenders (see definitions) except as modified in this section.

Particular Rules for Registered Sex Offenders

Placement. Registered sex offenders will be placed in a Juvenile Justice Alternative Education Program (JJAEP) in lieu of DAEP if: (1) ordered to attend JJAEP by a court, or (2) if permitted by agreement between the District and the JJAEP.

Length of Placement. Registered sex offenders under court supervision will be placed in DAEP for minimum of 90 school days, which is the equivalent of one semester. Registered sex offenders who are not under any form of court supervision but are assigned to DAEP must serve a minimum of 90 school days, which is the equivalent of one semester.

Registered sex offenders who are not under court supervision that transfer into the District will be required to complete the DAEP assignment assessed by the previous school district, but will receive credit for any time already spent in DAEP.

Transfers. Registered sex offenders (whether under court supervision or not) that transfer into the District will be required to complete the DAEP assignment assessed by the previous school district, but will receive credit for any time already spent in DAEP. In making a decision regarding the placement of a registered sex offender that transfers into the District, the District will consider the recommendation of the review committee as described in the "Periodic Review for Sex offenders" section below.

Periodic review for registered Sex Offenders. After 90 school days in DAEP, review committee will determine by majority vote and recommend to the Superintendent whether the student should remain in DAEP or be returned to the regular classroom. The Superintendent will follow the committee's decision to return the student to the regular classroom unless the student's presence in the regular classroom is a threat to the safety of others, is detrimental to the educational process, or is not in the best interests of the District's students. Conversely, the Superintendent will follow the committee's decision to continue the student's placement in DAEP unless the student's presence in the regular classroom is not a threat to the safety of others, is not detrimental to the educational process, or in contrary the best interests of the District's students.

If the student remains in DAEP, the review committee will re-consider the student's placement before the beginning of the next school year.

Appeals for Registered Sex Offenders. DAEP placement may be appealed as described in District policy FNG or FOC. However, the appeal is limited to the factual question of whether the student is required to register as a sex offender under the law. A decision of the district's Board of Trustees is final and may not be appealed.

Other DAEP Issues

Grade Levels. Elementary students in kindergarten through grade 5 will not be placed in DAEP with secondary students in grade 6 through grade 12.

No Participation in Activities While in DAEP. Students placed in DAEP for any mandatory or discretionary reasons are not allowed to attend or participate in school-sponsored or school-related extracurricular or co-curricular activities during the period of DAEP placement. This restriction applies until the student fulfills the DAEP assignment at this or another school district.

Impact on Graduation. For graduating seniors who are in DAEP during the last week of school, the DAEP placement will continue through graduation, and the student will not be allowed to participate in commencement exercises and related graduation activities.

Transportation. The District will provide transportation to and from DAEP for a specified number of days determined on a case by case basis. This transportation privilege may be revoked if the student does not follow the transportation rules, refuses to cooperate with the driver or other District personnel involved in providing transportation or violated any provision of the SCC during transport.

Periodic Review. The District will review a student's DAEP placement and academic status every 120 calendar days. In the case of a high school student, the student's progress toward graduation will be reviewed and a graduation plan will be established. At the review, the student or the parent/guardian will have an opportunity to present reasons for the student's return to the regular classroom or campus. The student may not be returned to the classroom of a teacher who removed the student without that teacher's consent.

Coursework Opportunity. Students placed in DAEP will have an opportunity to complete coursework required for graduation, at no cost to the student, before the beginning of the next school year.

Effect of Student Withdrawal. When a student withdraws from school before a DAEP placement order is completed, the District may complete the proceedings and issue a DAEP placement order. If the student re-enrolls in the District during the same or subsequent school year, the District may enforce the DAEP placement order at the time, minus any portion of the placement that was served by the student during enrollment in another district.

If the administrator does not issue a DAEP placement order after the student withdraws, the next district in which the student enrolls may complete the proceedings and issue a DAEP placement order.

Student Transfers. Students assigned to DAEP in another Texas district, a Texas open-enrollment charter school, or an out-of-state school district at the time of enrollment into the District will be placed into the District's DAEP to complete the term of their DAEP placement. In order to continue an out-of-state DAEP placement, the basis for the DAEP placement must also be a reason for DAEP placement in the enrolling district. If the out-of-state DAEP placement period exceeds one year, the District will reduce the period of placement so that the total placement does not exceed one year unless the district determines that the student is a threat to the safety of others or extended placement is in the best interests of the student.

Summer School. Students in DAEP during summer programs will be served in DAEP separate from other students.

Criminal Proceedings. The review and appeal process described below is limited to retaliation or off-campus misconduct. It does not apply if the student was placed in DAEP as required by law for conduct occurring on or within 300 feet of school property, at a school-sponsored or school-related activity, or for a false alarm or report or terroristic threat involving a public school.

If the District receives notice that prosecution of a student's case was refused and no formal proceedings, deferred adjudication, or deferred prosecution will be initiated or a court or jury found the student not guilty or did not engage in delinquent conduct or conduct indicating a need for supervision and dismissed the student's case with prejudice, the District will review the student's DAEP placement and will schedule a review with the student's parent/guardian no later than the third day after receiving notice. The student will not be returned to the regular classroom before the review. After reviewing the notice and receiving information from the student's parent/guardian, the administrator may only continue the student's DAEP placement if the administration has reason to believe the student's presence in the regular classroom threatens the safety of others.

The administrator's decision may be appealed to the Board. In the event of an appeal, at the next scheduled meeting the Board will: (1) review the notice, (2) hear statements from the student, the student's parent/guardian, and the administrator, and (3) confirm or reverse the decision of the administrator.

If the Board confirms the decision of the administrator, the student and the student's parent/guardian have the right to appeal to the Commissioner of Education. The student may not be returned to the regular classroom while the appeal is pending.

EXPULSION

Reasons for Mandatory Expulsion

School-Related. A student must be expelled for any of the following misconduct that occurs on school property or while attending a school-sponsored or school related activity on or off school property:

- Commits a serious act or offense while under the influence of an alcoholic beverage if the behavior is punishable as a felony.

A student will also be expelled for any of the following offenses that occur on school property, within 300 feet of school property as measured from any point on the District's real property boundary line, or while attending a school-sponsored or school related activity on or off school property:

- Sells, gives delivers, possess, uses or is under the influence of marijuana, a controlled substance, (see definitions), dangerous drug (see definitions), or alcoholic beverage (see definitions), in any amount not punishable as a felony. Students will be expelled for the 2nd infraction occurring in the same school year.
- Commits a serious act of offense while under the influence of an alcoholic beverage if the conduct is not punishable as a felony. Student will be expelled for the 2nd infraction occurring in the same school year.
- Engages in an offense relating to *abusable* volatile chemicals (see definitions). Students will be expelled for the 2nd infraction occurring in the same school year.

Regardless of Location. A student must be expelled if the student engages in the following misconduct, regardless of whether the conduct occurred on or off campus:

- Retaliates against a school employee or volunteer by committing a state-mandated expellable offense.

Reasons for Discretionary Expulsion

At School. A student may be expelled for engaging in documented serious misbehavior (see definitions) while the student is placed in DAEP and on the DAEP site/campus despite documented behavioral interventions.

School-Related. A student may be expelled for any of the following offenses that occur on school property, within 300 feet of school property as measured from any point on the District's real property boundary line, or while attending a school-sponsored or school-related activity on or off property:

- Commits an assault (see definitions) resulting in bodily injury to a school employee or volunteer.
- Engages in deadly conduct (see definitions).

Three Hundred Feet. Additionally, a student may be expelled for any of the following offenses that occur within 300 feet of school property as measured from any point on the District's real property boundary line:

- Possesses a firearm, as defined by federal law (see definitions).
Possesses or uses a handgun*, illegal knife, or club on or about his or her person (see definitions).
- Possesses, manufactures, transports, repairs, or sells on the of the following prohibited weapons: explosive weapon, machine gun, short-barrel firearm, silencer, knuckles, armor-piercing ammunition, chemical dispensing device, zip gun, or tire deflation device (see definitions).
- Engages in the following misconduct as defined in the Texas Penal Code: (1) aggravated assault, (2) sexual assault, (3) aggravated sexual assault, (4) arson, (5) murder, (6) capital murder, (7) criminal attempt to commit murder or capital murder, (8) indecency with a child, (9) aggravated kidnapping, (10) aggravated robbery, (11) manslaughter, (12) criminally negligent homicide, or (13) continuous sexual abuse of a young child or children.

Regardless of Location. A student must be expelled if the student engages in the following misconduct, regardless of whether the conduct occurred on or off campus:

- Commits aggravated assault, sexual assault, aggravated sexual assault, murder, capital murder, criminal attempt to commit murder or capital murder, or aggravated robbery against another student.

- Retaliates against a school employee or volunteer by committing an assault (see definitions) resulting in bodily injury.
- Engages in criminal mischief if the damage is \$2,500 or more.
- Engages in breach of computer security by accessing a computer, computer network, or computer system owned by or operated on behalf of a school district and knowingly alters, damages, or deletes school district property or information or breaches any other computer, computer network, or computer system.
- Engages in bullying (see definitions) that encourages a student to commit or attempt to commit suicide; incites violence against a student through group bullying; or releases or threatens to release intimate visual material of a minor or a student who is 18 years of age or older without the student's consent.
- Commits a state-mandated expellable offense on the school property of another Texas school district or while attending a school-sponsored or school-related activity of another Texas school district.

Title 5 Felonies Regardless of Location. In addition to the expellable conduct listed above, a student may also be expelled and placed in Juvenile Justice Alternative Education Program if the student:

- Issues a false alarm or report (see definitions) or a terroristic threat (see definitions) involving a public school for the 2nd time in the same school year.
- Is arrested for a Title 5 felony offense (see definitions), or aggravated robbery,
- Is charged with engaging in a Title 5 felony offense, or aggravated robbery,
- Received deferred adjudication or deferred prosecution for a Title 5 felony offense, or aggravated robbery,
- Is on probation for a Title 5 offense or aggravated robbery,
- Was found by a court or jury to have engaged in delinquent conduct for a Title 5 felony offense, or aggravated robbery,
- Was convicted of a Title 5 felony offense or aggravated robbery,
- Has been referred to a juvenile court for delinquent conduct for a Title 5 felony offense or aggravated robbery;

and the administrator determines the student's presence in the regular classroom either threatens the safety of other students or teachers, is detrimental to the educational process, or is not in the best interests of the District's students.

In this circumstance, expulsion to an alternative setting may be ordered regardless of: (1) the date on which the conduct occurred, (2) the location at which the conduct occurred, (3) whether the student was enrolled in the District at the time the conduct occurred, or (4) whether the student successfully completed any court disposition requirements regarding the conduct.

A student may be subject to an expulsion under this circumstance until: (1) the student graduates from high school, (2) the charges are dismissed or reduced to a misdemeanor, (3) the student completes the term of the placement, or (4) the District assigns the student to another program. The student will be entitled to the same periodic review afforded to other students in alternate settings. An expulsion ordered in this case is final and may not be appealed beyond the Board of Trustees.

Emergency Expulsion

An administrator may order the immediate expulsion of a student if the administrator reasonably believes the emergency expulsion is necessary to protect persons or property from imminent harm. The reason for the emergency expulsion must also be a reason for which expulsion could be ordered on a non-emergency basis. At the time of the emergency expulsion, the student will be told the reason for the action. No later than the tenth day after the date of emergency expulsion, the student will be given a hearing as required for a regular expulsion; see below.

Procedure for Expulsion

Hearing. Students alleged to have committed an expellable offense will receive a hearing before the Superintendent within a reasonable time following the alleged misconduct. The student's parent/guardian will be informed of the basis for the proposed expulsion and be invited in writing to attend the hearing. After making an effort to inform the student and parent/guardian of the hearing, the District may hold the hearing regardless of whether the student or the student's parent/guardian attends. At the hearing, the student is entitled to:

- Representation by an adult, including the student's parent/guardian, who can provide guidance to the student and who is not an employee of the District;
- An opportunity to question the District's witnesses; and
- An opportunity to testify and to review and present evidence and witnesses in the student's defense.

Additional proceedings may be conducted and additional discipline may be imposed if the student engages in additional misconduct while the student is already expelled.

Interim Placement. Until an expulsion hearing can be held, the student may be placed in another appropriate classroom, in-school suspension, or out-of-school suspension, or DAEP.

Expulsion Order. If the outcome of the expulsion hearing is that the student will be expelled, the appropriate administrator will issue an expulsion order and provide a copy to the student and the student's parent/guardian. If the duration of the expulsion differs from the guidelines in the SCC, the expulsion order will give notice of the inconsistency.

The District will send a copy of the expulsion order to the juvenile court no later than the second business day after the expulsion hearing. A copy of the expulsion order will be included with any records sent to a school where the student seeks to enroll. The enrolling school district has discretion to enforce the expulsion order.

Length of Expulsion

The duration of the expulsion will be determined on a case-by-case basis using the criteria identified in the "Discipline Considerations" section of this SCC. Both mandatory and discretionary expulsions will result in expulsion for up to 180 school days. Students who bring a firearm (as defined by federal law) to school will be expelled from the regular classroom for at least one calendar year except as modified by the administrator on a case-by-case basis.

An expulsion will not exceed one calendar year unless, after review, the District determines that: (1) the student is a threat to the safety of other students or to District employees; or (2) extended expulsion is in the best interest of the student.

Students expelled at the end of the school year may be required to complete the term of their expulsion at the beginning of the next school year.

Other Expulsion Issues

Academic Impact. Students will not receive academic credit for work missed during the period of expulsion unless the student is enrolled in a Juvenile Justice Alternative Education Program (JJAEP) or other District approved program or as required by IDEA or Section 504.

Participation in Activities. Expelled students are prohibited from being on school grounds or attending or participating in school-sponsored or school-related activities while expelled.

Age Restrictions. Students under the age of ten that engage in expellable behavior will not be expelled, but will be placed in DAEP.

Effect of Student Withdrawal. If a student withdraws from the District before the expulsion hearing is conducted, the District may proceed with conducting the hearing after sending written notice to the parent/guardian and student. If the student re-enrolls during the same or subsequent school year the District may enforce the expulsion order at that time; students will be credited for any expulsion period that was served by the student while enrolled in another district.

If the administrator does not issue an expulsion order after that the student withdraws, the next district in which the student enrolls may complete the proceedings and issue an expulsion order.

Student Transfers. The District will continue the expulsion of students expelled from either another Texas school district or from an out-of-state school district for behavior that is also a reason for expulsion in the enrolling district, until the term of expulsion has been served. If the out-of-state expulsion exceeds one year, the District will reduce the period of the expulsion so that the total expulsion does not exceed one year unless the District determines that the student is a threat to the safety of others or extended placement is in the best interest of the student.

Expulsion Appeals

An expelled student may appeal the expulsion decision to the Board of Trustees as provided by policy. The student or student's parent/guardian must submit a written appeal to the Superintendent within 10 days after receipt of the expulsion order or decision. The Superintendent will give the student or the student's parent/guardian written notice of the date, time, and location of the meeting at which the Board will review the decision. Consequences will not be delayed pending the outcome of the appeal.

HS AND MS In-School or Out-Of-School Suspension

A student assigned to **in-school or out-of-school suspension** is prohibited from practicing, participating, or attending school-sponsored or school-related extra-curricular and co-curricular activities. The district further prohibits suspended students from being on school grounds, other than to attend in-school suspension if assigned, during the periods of suspension.

and

Students are prohibited from being on school grounds or attending school-related activities during the term of placement at **DAEP**. This includes in-town or out-of-town athletic activities, community events on school property, high school graduation, etc. This rule will be enforced until the student has satisfactorily completed the DAEP assignment or provides proof that DAEP placement was completed in another district. The restriction may also be removed, with superintendent approval, at the end of the school year in which the student (1) reaches his/her 18th birthday, or (2) submits proof of earning a diploma at an accredited public or private school, or (3) submits proof of a GED.

and

Students are prohibited from being on school grounds or attending school-related activities **during the term of expulsion**. This includes in-town or out-of-town athletic activities, community events on school property, high school graduation, etc. This rule will be enforced until the student has satisfactorily completed the terms of expulsion. The restriction may also be removed, with superintendent approval, at the end of the school year in which the student (1) reaches his/her 18th birthday, or (2) submits proof of earning a diploma at an accredited public or private school, or (3) submits proof of a GED.

Elementary Communication

The first line of communication with parents about their child's behavior is the planner. Planners are sent home every day and are a wonderful way for two way communication. Parents are asked to sign them every night and are encouraged to communicate back and forth with school staff.

The purpose of our elementary discipline guidelines is to provide clear and consistent rules for a safe learning environment. In order to achieve this purpose, we need to teach and expect respect for self and others as well as insure the physical safety of all.

Students are responsible for their actions and need to be held accountable for their decisions. They need to know adults care enough for them to insure that they follow school rules. Our school staff has a responsibility to confront students if they are acting inappropriately at any time during the school day.

It is the teacher's responsibility to maintain good discipline in the classroom, school building and on the playground. Misbehavior will result in corrective action by teachers or referral to the office. All office behavior referrals will be sent home with the child for parents to sign and return to school.

If other less restrictive consequences fail to stop a behavior, a child may be placed in our In School Suspension program, which is housed at the elementary campus.

In cases of severe misbehavior and/or if a child is not able to calm down and stop an unacceptable behavior, he/she may be sent home for the remainder of the day and given the opportunity to try again tomorrow.

In addition to the cases listed on the behavior chart, if there is persistent misbehavior, a child may be sent to our Disciplinary Alternative Education Program in Floresville.
