

# Guidance Presentation: 10 – 12 Grades

## What to Do Now?

### SENIORS:

Register for SAT if not already taken.  
[www.collegeboard.com](http://www.collegeboard.com). (\$46)

Register for ACT if not already taken.  
[www.actstudent.com](http://www.actstudent.com). (\$46)

Fee waivers are available for the exams for Juniors and seniors. These are available in the NEB Guidance Office. Students who receive free or reduced lunch are eligible.

Review the High School Guidance Office webpage for important information including available scholarships and financial aid (located under “Schools” on the NEB Homepage).

Take advantage of college and military representatives that visit our school during lunch times.

Attend the Financial Aid Night!

Apply to colleges. Submit a Transcript Request Form to the NEB Guidance Office for each school to which you are applying.

Take advantage of community service opportunities.

Register for the Selective Service when you turn 18 (males). [www.sss.gov](http://www.sss.gov)

### JUNIORS:

Take the PSATI

Take advantage of local events to explore colleges and learn about financial aid.

Review the High School Guidance Office webpage for important information including available scholarships, SAT & ACT testing, college searches, and career exploration (located under “Schools” on the NEB Homepage).

Take advantage of college and military representatives that visit our school during lunch times.

Attend the Financial Aid Night!

### SOPHOMORES:

Take the ASVABI

Take advantage of college and military representatives that visit our school during lunch times.

If you are considering a military academy, begin researching the application process and admission requirements.

If you are considering a sport in college, visit the NCAA at [www.ncaa.org](http://www.ncaa.org) for more information.

Review the High School Guidance Office webpage for important information including career exploration, college searches, and financial aid (located under “Schools” on the NEB Homepage).
