ADMISSIONS POLICY

Any child whose fourth birthday occurs on or prior to July 31 will be granted admission to CELC. Children who are three on or prior to July 21 are eligible for screening through PAT, and will be considered for enrollment based upon the results of the screening. Priority will be given to children who have or who are at risk of being identified with disabilities or delays in development. New pre-kindergarten enrollees are required to submit immunization record, proof of age and proof of residency.

ATTENDANCE AND ABSENCES

When a student is unable to attend school, parents should call as early as possible that day. Parents should give the student's name, teacher's name, and the reason for the absence. Because CELC maintains a waiting list for students whose parents wish to enroll then, children who are chronically absent (attending less than 70% of the time), will be subject to removal from the program. A child's success in school depends on regular attendance.

CHANGE OF ADDRESS/TELEPHONE/OTHER PERSONAL INFORMATION

Parents are to notify the school immediately if there is a change of address, telephone number, or other personal information during the school year. This helps us contact you as quickly as possible should an emergency arise.

TRANSPORTATION

Transportation to and from school is the home responsibility. Only students who receive special education services and are eligible for special transportation as provided by the Individualized Education Plan (IEP).

SCHOOL SCHEDULE

Preschool at CELC consists of 2 sessions, morning and afternoon. Class is in session Monday through Friday. For a complete list of school holidays, please see the CELC School Calendar in on page 13. Doors open at CELC at 7:45 for the AM session, and 11:45 for the PM session. Learning begins at 8 AM for the morning session and 12:00 for the afternoon session. Parents may return to pick up their children beginning at the start of recess - 10:30 and 2:30, respectively.

ARRIVAL AND DISMISSAL OF STUDENTS

Although most students are very eager to get to school early, we ask parents to bring their children at the designated times. The school lobby is open at 7:45 for AM sessions and 11:45 for PM sessions, so students may arrive AT these times. We also ask that your child is picked up at the end of class each day consistently and promptly. If your child is to be picked up before the end of class, please come to the office and sign him/her out of school. If you have questions, or need to make special arrangements, please contact the school office.

At the beginning of the year, you will be asked to list the people that have permission to pick up your child. If for any reason a person not on that list needs to pick up your child, we will need a written note or a telephone call from the parent to release the child. The school reserves the right to refuse to dismiss a student to any person who cannot provide adequate identification. We will not release a child to anyone other than the parent/guardian without your permission.

EARLY DISMISSAL

Due to inclement weather it is sometimes necessary to dismiss school early. Should this occur, it will be announced on local radio stations (KCHI (102.5), KMZU (100.7), KGOZ (101.7) and on the district Facebook pages. You can also sign up for TextCaster messages at www.chillicothecity.org/textcaster.html and receive an alert directly from the school to your device.

EMERGENCY PROCEDURES

The school has a written emergency plan that is followed in case of Fire, Tornado, Earthquake, and Student Defense Initiative that might threaten the safety of the students in the building. Staff members have a copy of the procedures and have been instructed in the plan. Practice drills are held periodically. If circumstances warrant, students will be dismissed as soon as this can be accomplished safely. During an emergency, parents should listen to the radio station or wait for a text from TextCaster for instructions.

CRISIS REUNIFICATION PROCEDURES

In the event of a crisis, a reunification place will be announced. Parents will be required to come to the reunification place and see the attending staff member to check out their student.

Every attempt will be made to send students with parents or emergency contacts listed on the student's record. In some situations, this may not be possible. It will be our practice to release students to any adult with whom he/she is comfortable. Adults will be required to show identification, sign for students and indicate relationship to student (aunt, uncle, grandparent, family friend, etc...).

STUDENT SAFETY

The safety of students is the school's major concern. Parental cooperation is needed to develop safety habits on the part of students. After 8:00 a.m. and 12:00 p.m., school doors will be locked. The only entrance will be through the front door. All visitors need to check in at the office for assistance. Parents need to closely supervise children upon entering and exiting the building in order to avoid an accident.

BEHAVIOR EXPECTATIONS

We believe that all children need to learn to become self-disciplined individuals. Children learn self-control when adults treat them with dignity, and use discipline techniques such as guiding, valuing mistakes as learning opportunities, redirecting, listening when children talk about their feelings, and reminding children of rules. Our teachers implement the Conscious Discipline model. If children are having difficulties following the classroom rules the teacher will help remind them of the rules. If they continue to have difficulties, they may be asked to sit by themselves and calm down. The teacher will discuss the behavior with the student and make a plan on how to improve this behavior. If the behavior still continues they may be removed from the classroom and go the Preschool Director's office to calm down. They will discuss the behavior and make a plan to correct this behavior. If a child becomes violent and out of control, the parent may be called to pick up the student. Children should come to school expecting to learn in a safe environment.

We strive to meet this expectation through our one rule: **Our classroom is a "safe room."** In a safe room:

1. We keep our bodies safe. No one hits anyone else, or touches him or her in places they want to keep to themselves.
2. We keep our feelings safe. No one says hurtful things to anyone else.
3. We keep our equipment, furnishings, supplies and other people's belongings safe. We use these things as they are intended.

PARENT-TEACHER CONTACTS

All teachers are available every day to discuss your child's progress, share ideas and suggestions, review behavior issues, or listen to concerns you may have. Teachers value their instructional time and interrupting class time results in the teacher having to spend extra time to refocus the class back on the lesson at hand. Therefore, we ask parents to make arrangements to speak with the teacher during non-instructional hours. You are welcome to schedule an appointment if you believe the conversation will take some time.

CURRICULUM

The Early Childhood Learning Center is either locally funded, state funded or federally funded programs, which include Title I or Early Childhood Special Education (ECSE) classrooms. Title I Schoolwide programs provide schools with the opportunity to upgrade the entire school program by allowing more flexibility to serve students. Early Childhood Special Education Classrooms serve students who have been identified as having developmental delays. Our ECSE classrooms serve students with developmental delays as well as typically developing student in a blended classroom setting.

Pre-Kindergarten is designed to be a positive introduction to school. Your child's teacher will provide you with a daily schedule. Students are involved in a wide range of hands-on activities while in preschool. Activities are planned to meet each child's individual needs. The time in pre-kindergarten is divided into different segments. There is a center time, small group time, snack time, and gross motor activities. The teachers in our Early Childhood Programs have all been trained in Conscious Discipline, Project Construct and various early childhood instructional methods. Pre-Kindergarten children will be introduced to basic concepts centered on their developmental learning skills. The basic concepts introduced include:

- Personal development in building confidence, pride and attitude;
- Social interaction, working in groups, and the concept of sharing;
- Language development;
- Listening;
- Story telling;
- Development of large motor skills;
- Development of fine motor skills;
- Color recognition;
- Shape recognition;
- Number recognition;
- Seasonal changes and events;
- Learning sequences
- Writing first name

SPECIAL EDUCATION SERVICES

Children ages 3-5 with identified disabilities or developmental delays may be eligible for special education services. If you suspect that your child may have a disability or developmental delay that could be adversely affecting your child's ability to learn and make progress in general education, please discuss your concerns with your child's teacher. All parents have the right to request evaluation for special education services. Parents may make such requests through verbal or written means. If you would like more information, please contact Emily Schmidt, Director of Early Childhood Education and Special Services.

SERVICES FOR ENGLISH LEARNERS (EL)

The EL program is an English language development program using content for the development of Speaking, Listening, Reading and Writing skills for non-English proficient or English Learners (ELs). Students identified as eligible for the district's EL program are those whose parents have indicated a language other than English on any of the following questions on the Home Language Survey:

- What was the first language spoken by the student?
- What is the language most often spoken in the home?
- What is the language most often spoken by the student with friends?

If you believe your child qualifies to receive services for EL's, please contact Mrs. Schmidt, preschool director.

HOMELESS STUDENT EDUCATION

The Homeless Education Program (HEP) supports homeless students and their families through the funding of the McKinney-Vento Act. The McKinney-Vento Homeless Assistance Act requires the enrollment of children and youth experiencing homelessness. If you are experiencing homelessness, please visit with Mrs. Schmidt, preschool director, for further information and assistance.

SCHOOL SUPPLY LIST

Please help your child gather their school supplies and bring them to school on the day of their Open House Appointment. A list of school supplies will be made available at local retailers throughout the city in late July/early August. If you are unable to afford supplies, please contact Mrs. Schmidt, preschool director, for assistance.

NEWSLETTERS

Students receive weekly newsletters from the teacher via the SeeSaw App. The app can be used to facilitate great home school communication, as it features a messenger function for parents to send direct message to teachers. Specific log-in information will be sent home at the beginning of the school year.

FIELD TRIPS

We may take field trips throughout the school year, if funds are available. A permission slip is provided in this handbook and reminders are sent home prior to each field trip.

Due to a new state law, schools in Missouri must conduct criminal background checks on all volunteers who might be alone with students. This includes chaperones for field trips.

Chillicothe school volunteers must participate in the FBI/Highway Patrol Background Check System, which is done through fingerprinting. The closest location for this is the Chillicothe License Office. The background check is good for 6 years, and it costs \$41.75. Advanced registration, using school district codes, is required.

PARTIES

Three holiday parties will be observed: Halloween, Christmas and Valentine's Day. Parents are encouraged to sign up to help. Periodically there will be parent/child activities offered to students and their parents as well.

***Snacks - When snacks are necessary, they must be pre-packaged or store bought. Snacks baked/made at home are not allowed to be distributed to students.

***Special Invitations - Personal invitations to any event, other than school events, may not be handed out at school - unless there is one for each student in the class. (Examples: birthday parties, skating parties, etc.).

***Gifts — Gifts brought to school or delivered to school must be delivered to the office and the child will receive them when they leave school.

SCHOOL DRESS

Please dress your child in comfortable clothing. The children will participate in movement activities and many art activities such as painting. Appropriate shoes are also important. It is difficult to climb on playground equipment, run, kick a ball, and participate while wearing flip-flops. Pay close attention to the weather, and dress your child accordingly. We play outside if weather permits ("feels like" temperature is 20 degrees F or above), so make sure to send a coat, hat, and gloves as needed.

HEALTH POLICIES

An immunization record must be presented at the time of enrollment. Immunization against Diphtheria, Tetanus, Pertussis, Polio, Measles, Rubella, Mumps, Hepatitis B is required. Missouri school law prohibits any student to attend school unless the required immunizations are in effect.

The school has the responsibility for the health and welfare of all students. Chillicothe School District policy mandates that students with a contagious disease or those suspected of having a contagious disease are excluded from school as outlined in the State's Health Standards Practices. School personnel can request a doctor's excuse prior to the re-admittance of a student to school if there is a suspicion of a communicable disease. Please make sure that you leave a phone number for our file in case of emergency. **In accordance with Missouri state statutes: "It is unlawful for any child to attend public school in Missouri while afflicted with an contagious or infections disease, or while liable to transmit such disease after having been exposed to it."**

Students will be sent home if:

- They are running a fever.
- They have vomited.
- They have diarrhea.
- School personnel cannot determine the cause of a student's sudden physical or emotional distress.

BEFORE RETURNING TO SCHOOL, STUDENTS MUST BE FREE OF TEMPERATURE AND FREE OF VOMITING AND/OR DIARRHEA FOR 24 HOURS, WITHOUT THE AID OF FEVER REDUCING MEDICATIONS.

HEALTH PROCEDURES:

Injury at School:

- If a minor injury occurs, first aid will be administered. If the injury is serious, parents or someone designated by the parent, will be notified. The parent or designee will be asked to assume responsibility for securing further treatment for the injured child.

Serious Illness:

- If a student is infected with any acute infectious disease of short duration, the student will be excluded from school for the number of days specified in the latest version of the Missouri Department of Health publication, Prevention and Control of Communicable Diseases, or until a physician certifies the student is no longer able to transmit the disease. Any student who is known to have a chronic infectious disease such as AIDS, ARC, or HIV infection who is permitted to attend school must do so under specified conditions. An assessment will be made to determine those conditions which will be least restrictive to the student and which will not endanger his or her health or the health of other students, teachers, or staff.

Head Lice:

- Any child found to have evidence of head lice infestation (Lice or Nits) will be dismissed from school. School personnel will be responsible for recommending re-admission of the child after removal of all evidence of infestation.

Bathroom Accidents

- If your child tends to have wetting accidents, you may want to send a change of clothes. We encourage children to change their own clothes when this happens. If a child has a soiling accident, we will call you to come get your child, unless the child has a chronic issue documented in their medical records or IEP. We NEVER punish children for having accidents.

Medication:

- Non-Prescription Drugs: The district may administer over-the-counter medications to a student upon receipt of a written request and permission to do so by the parent/guardian. All over-the-counter medications must be delivered to the school principal or designee in the manufacturer's original packing and will only be administered in accordance with the manufacturer's label. Tylenol or Ibuprofen will be given at school on an as needed basis if the parent/guardian has given permission on the back of the health history form. The school does stock Tylenol or Ibuprofen for minor pain and fever, if your child takes it frequently, please send their own bottle.
- Prescription Drugs: If the medication is to be given at home and school, please ask the pharmacy for a second labeled bottle that can stay at school.
- All prescription must be labeled with the student's name, the name of the medication, the dosage of medication, the name of the doctor, and specific instructions for administering the medication.
- All long term (10 days or more) and emergency medications must have a medication authorization completed by the physician and parent/guardian. This is to be completed and returned to the school nurse. Forms are available in the school office.
- Short-term medications (10 days or less) such as antibiotics must have the parent section of the medication authorization completed. The prescription label will be considered an equivalent of the physician's written order. The school will not give a 3-a-day antibiotic at school. Please give before school, after, and at bedtime.
- Inhalers will be kept in the office.

These might include nature walks around the block, trips to the library, trips to the fire station and trips to Papa Charlie's Pumpkin Patch (this list is not inclusive, just serves as examples of experiences). SECTION 504 PUBLIC NOTICE

School districts that receive federal financial assistance have the affirmative responsibility to annually undertake to locate and identify all students with disabilities located in the District's jurisdiction; and take appropriate steps to notify disabled persons and their parents or guardians of the District's duty.

The school districts listed below assure they will provide a free appropriate public education (FAPE) to each qualified disabled person in the Districts' jurisdiction regardless of the nature or severity of the person's disability. For purposes of Section 504 of the Rehabilitation Act of 1973, the provision of an appropriate education is the provision of regular or special and related aids and services that (i) are designed to meet individual educational needs of disabled persons as adequately as the needs of nondisabled persons are met and (ii) are based on adherence to procedures that satisfy the requirements of the 504 federal regulations.

The school districts listed below have developed a 504 Procedures Manual for the implementation of federal regulations for Section 504 of the Rehabilitation Act, Subpart D. This Procedures Manual may be reviewed at the districts' Special Services Office/Central Office between the hours of 8:30 am and 2:30 pm when school is in session.

This notice will be provided in native languages as appropriate.
