JNPSD School Community:

Thank you for supporting the efforts to support improved teaching and learning opportunities for our scholars. We have many people working diligently to provide the best opportunities possible for our scholars during these different times. The support of our staff and community is vital to accomplishing these tasks for our scholars.

Yesterday, we released Volume 1 of the JNP Reentry Plan. Additional plan details will be released over the next month. Our reentry working groups are in the process of developing a FAQ document based on parent survey feedback and other feedback. This document will be released soon. Please understand that we must be flexible as our guidance and procedures will change as any directives from the Governor, Arkansas Department of Health, and Arkansas Department of Education may change.

1. General Information on the modified graduation ceremonies for senior scholars:

3 Ceremonies of 80 graduates each

7 guests per scholar

Tickets will be issued to scholars.

Additional information will be publicized soon.

All state health directives, including facility capacity and spacing requirements, must be followed. The JNP graduation plan had to comply with specific requirements in order to host these ceremonies. State officials may monitor ceremonies for compliance. More details will be publicized soon.
