A Place Where Learning Grows

July 1, 2020

Dear Kelly Lane Families,

It is an honor and a privilege to serve as Acting Principal of Kelly Lane Primary School effective July 1, 2020. As some of you may know, I planned to retire from my position as Principal of Granby Memorial Middle school on June 30, 2020. My retirement plans included working with children in some capacity, so I was delighted when Dr. Grossman offered me this opportunity to continue serving Granby families.

Here is a little bit about me: I started my career at the elementary level teaching third grade. I am the proud parent of four adult children, two college students and two certified elementary teachers. Education is big in my family and I currently live with a resident expert primary teacher. As a member of the Granby Public Schools' Reopening Task Force, I will continue working with the Granby community and the Administrative Team to identify and implement the best organizational plan to educate our Kelly Lane children for the start of the 2020-2021 school year. I am also a founding member of the Granby Equity Team committed to ensuring equity and success for every child. I will be devoting my full attention to starting a new school year with all children being valued and nurtured in a safe, high performing learning environment.

I look forward to continuing to develop and implement the Granby Public Schools' vision, mission and goals. It truly brings joy to my heart thinking about doing this work on behalf of our youngest students. Collaboration and communication are the key to success and I encourage you to reach out to me with questions, interests or needs. I look forward to working with you.

Sincerely,

Sue Henneberry

Principal
