Parking in the Hopewell Valley Central High School's student parking lot is a privilege reserved for seniors and some juniors (if there is space available). The privilege is open to these students who maintain good academic and civil standing, have no attendance or discipline issues, and no outstanding fines or obligations. Certain conditions are attached to that privilege. Students who fail to uphold those conditions will be subject to disciplinary action and/or loss of parking privileges.

1. The vehicle must always display the proper permit on the **DRIVER'S SIDE DASHBOARD**. If the permit is not shown, I understand my parking privileges may be revoked or suspended. Parking permits are not transferable from student to student.
2. Upon arrival in the student parking lot, I will immediately park in my designated parking spot properly between the lines and enter the school building.
3. My vehicle will be parked in the student parking lot only and not on any other school property unless assigned by administration. I will not park in staff and/or handicapped spaces. If I park on other school property, I realize I am subject to school discipline, such as loss of parking privileges and/or disciplinary action.
4. I recognize the importance of slow, careful driving, especially in the school area where every pedestrian, child, student, or adult has the right of way. The speed limit in the student parking lot must not exceed **10 miles per hour**.
5. I realize that the school administration may take away the privilege of parking on school property, if, in their opinion, I have not been able to, or willing to abide by these rules and regulations and/or local and state laws.
6. In the event I am using another family member's car on a particular day, I must report to the VP Office and inform them of the following: **Name, Car Make, Model, Color, and License Plate Number**.
7. **The Board of Education reserves the right to authorize its designated employees to conduct searches of student vehicles. A student utilizing an on-site parking permit may be required to unlock or otherwise provide access to the vehicle's interior as well as trunk for search by school officials notwithstanding the absence of reasonable suspicion.**
8. Once you leave your vehicle to begin the school day, you may NOT return to your vehicle unless you have Senior Option, early dismissal (with permission from parent), or are given permission by an administrator.

9. A lost parking sticker will result in a \$5.00 replacement charge.

The following violations may be cause for immediate loss of parking privileges at the discretion of the Administration:

- A. Violation of the Hopewell Valley Regional School District's Substance Abuse Policy.
- B. Any Out-of-School Suspension.
- C. Careless and/or reckless driving as determined by the Administration or Campus Safety Officer.
- D. Use of vehicle during the school day that violates school rules, such as cutting class and/or leaving school grounds without permission.
- E. Going to your vehicle without permission from the Administration during the school day.
- F. Any parking violation in student or staff lots, including not parking in your designated spot.
- G. Failure to report to the VP Office in the event another car is driven on a particular day.
- H. Smoking on school property.
- I. No credit status due to attendance in any course.
- J. Excessive tardiness to school.
- K. Repeated violations of the Student Code of Conduct.
- L. Outstanding fines.
- M. Any other infraction deemed necessary by the Administration.
