

3/18/2020 External Communication

Good afternoon everyone,

We have some significant changes to announce as we move forward. In the best interest of our staff, I've made the decision to close our buildings at close of business today. **Students will continue online learning.** Teachers and staff will continue to be available via email only between the hours of 8 am and 3 pm. Due to this closure, phones will not be answered.

- **Spring break, April 6-10, 2020, will occur as scheduled and will be observed as a "break."** No lessons will be assigned to students during that time.
- Students are expected to complete their online coursework and will be graded just as they would with face-to-face instruction. Maplewood, Middle School and High School grades will continue to be posted to ProgressBook.
- For those students who are completing paper assignments, further information about how those will be submitted and scored will be communicated to you in the future.
- The end of the third nine-week grading period is this Friday, March 20, 2020.

Thank you for your continued patience and support during this time,
