Good afternoon everyone,

We realize you have many questions during this uncertain time and we are doing our best to answer them to the best of our ability. In many cases we are unable to provide immediate answers as this is a rapidly changing situation.

Right now our focus is ensuring that we can continue to provide the highest quality of education possible for our students.

- Staff members continue to work diligently to ensure successful online instruction.
- For those students/parents who have not yet logged on and are having difficulty doing so, please contact your child's teacher as soon as possible so that they can assist you. **It is imperative that students continue to work on their coursework during this time.**
- If you are a parent/guardian of a Shawnee student who does not have internet connectivity, please email [dittol@limashawnee.com](mailto:dittol@limashawnee.com).
- The third nine-week grading period ends tomorrow. Report card distribution information will be made available next week.
- Some students were given paper assignments to complete prior to school closure. Teachers will let your student know how to turn those in soon.
- We are continuing to review the issue of food distribution for our students. It is our hope that we will have information to share with you early next week.

If you have not yet reviewed our earlier updates, please take a moment to do so as they contain important information. We have been posting updates daily. Moving forward, we anticipate postings will be less frequent. Updates and parent resources can be found on our website: [www.limashawnee.com](http://www.limashawnee.com).

Thank you for your continued support of our staff and students,
