Good Evening Senior Parents,

We had a great time at the Senior Parade last week. Thank you to the parents that organized the event.

Tonight I want to update you on the status of the Commencement Ceremony. The first date we posted, July 9th, is two weeks away. As the regulations stand right now, we are not able to run the commencement with all students and guests like we want. We are hopeful that the Governor will increase the outdoor number of people that can meet to 500 or more before the holiday weekend. If that happens, we will plan on holding the Ceremony at the High School July 9th at 7pm with limited guests per student based on the number allowed to gather. If there is no change in the number, or the number is less than 500 people, we will change our focus for the Commencement to July 23rd.

To clarify we will postpone to the 23rd if:
If the number of people allowed to gather is less than 500
If there are poor weather conditions

More details will follow prior to the July 4th Holiday.
