

## Senior Upcoming Activities/Events

Good evening Senior Parents/Guardians,

Thank you all for coming out yesterday! It was great to see the students again. We only missed three Seniors and two of them came in today!

As I mentioned to many of you yesterday in person, each day brings new information and I have some updates to share with you concerning events for Seniors.

1. **Ongoing 2020 Virtual Announcements** - We have and will continue to broadcast senior award recipients through our official school channels, including Parchment School District email, FaceBook and Twitter.
2. **Senior Photo Op** - Next week Wednesday, June 3<sup>rd</sup> we will host a photo opportunity for Seniors at the high school. This will be from 4-7pm. I will email/post a flyer tomorrow with specifics.
3. **Senior Tribute Video - June 12th - 19<sup>th</sup>** - We will release a Senior Tribute Video Montage through Youtube in mid-June (date TBD). Students received details in their packets yesterday. They need to send their info to Ms. Bisel by June 5<sup>th</sup> if they want to be included.
4. **Face-to-face Commencement tentative dates** - July 9<sup>th</sup> is the target date (time TBD). We have July 23<sup>rd</sup> and August 6<sup>th</sup> as back-up dates in the event that we are not able to effectively meet on July 9<sup>th</sup>. If we are fortunate enough to be able to make this event, we will hold a Commencement Ceremony for the Class of 2020 on the football field. It is highly likely that the number of guests in physical attendance will have to be limited and/or we will have multiple sessions. The decision on the tentative commencement date will be based on the State public meeting numbers/requirements. We will communicate specifics as we receive details from the State.

Thank you to all those that have been volunteering, communicating and sharing. I know this is not what we all anticipated. The school and community have endeavored to teach these Seniors that perseverance is an essential quality for a healthy life. We did not expect life to give them such a significant example, but I can unequivocally state this situation has demonstrated the quality and resilience of this District and Community.

George Stamas  
Principal  
Parchment High School
