

Senior Photo-Op Wednesday June 3rd 4-7pm

This is an opportunity to take photos of your graduate at the school. On Wednesday, pile your family into a car and head to the high school. Use the map below to drive in and get in line.

Step 1: Pull in to the main entrance and line up by the entrance to the main gym (see map).

Step 2: It is important to stay in your car and observe social distancing guidelines while waiting.

Step 3: When you get to the front of the line, you will be invited to get out of your car, go to the entrance of the sports complex, and snap a few pics. You are only with your family, so you may remove your mask for the photos.

Please be mindful of others and make efficient use of your time.

Step 4: Put your mask back on, re-enter your vehicle and depart through Central Elementary.
