

Dear Parent/Guardian,

I would like to officially welcome you and your child to the 12th grade! Senior year is an exciting time for high school students. There are several activities and important decisions that will be made throughout this year. Students are getting ready to move into the next academic phase of their lives.

The Senior Option Program is our first step during the 12th grade year used to guide students in preparing for college, entering the workforce, or serving in the military; therefore, parents, students, and staff need to work together to properly prepare for this transition. In addition, students need to be aware of the many expectations and requirements as a senior student. With this in mind, please make note of the following:

- We are holding our **Virtual** Student Orientation session for seniors this summer. It will be a **2 day virtual orientation from 12:30pm to 2:30pm**. Students will have the option to select their two day block on a “first come first served” basis. The options are below:
 - ***Option A – July 13th and July 14th***
 - ***Option B – July 15th and July 16th***
 - ***Option C – July 20th and July 21st***
 - ***Option D – July 22nd and July 23rd***
 - ***Option E – July 27th and July 28th***

Each student should make their selection and send it to me via Canvas by noon on Friday, July 10th. The zoom ID information will be posted on our school website under the documents section on Friday, July 10th as well. It is imperative that your student arrives to these virtual sessions on time and attends both days. If you have any questions please call the school at extension 500.

Thank you in advance for your cooperation. I look forward to speaking with you soon.

Regards,

Shelyna L. Hamilton
