July 3, 2020

Lockland Local School District Families:

As you are now likely aware, state guidance for K-12 schools was released yesterday regarding our restart in the Fall. Administration in Lockland Schools will be spending time over the next several days to analyze this new information, as well as the accompanying guidance document issued by the Ohio Department of Health. Additionally, we will be in communication with the Hamilton County Health Commissioner early next week to receive local guidance that is more specific to Hamilton County.

As you continue read and listen to information via the mainstream media, social media, etc. questions will likely arise. Please know that we are working hard to evaluate our current reopening plan to ensure that it is aligned with all of the new guidance recently released.

Once we have completed this work, I will communicate all relevant information via social media, our district web page and through community forums (virtual and in person as permissible) in the coming days and weeks.

We are excited for the 2020-2021 school year to begin and we can't wait to see all of our students, families and staff again very soon.

As always, thank you for your continued support of the Lockland Local School District. If there are questions or concerns that I can assist you with, please contact me directly at bob.longworth@locklandschools.org or (513) 563-5000 extension 903.

Respectfully,

A handwritten signature in blue ink, appearing to read "B Longworth".

Bob Longworth
Superintendent
Lockland Local School District
