

# **2023 HS Football Practice Schedule**

Parents, please know that players must participate in 14 practices to be eligible for the first game. However, we cannot start practicing prior to August 7th, meaning there will only be 14 practices before our first game. These are MSHSAA rules. Consequently, it is crucial that players be at these practices in order to be eligible. All practice times are subject to change. Changes will be announced via Panther Alerts.
