

BOND PROGRAM UPDATES

WHAT'S COMPLETE, IN PROCESS AND ON THE HORIZON

June 29, 2020

It's summer, and we hope that you're enjoying some fabulous time outside enjoying the weather! Here's an update on what's happening with the bond program for Schoolcraft Community Schools.

Overall Project Status

- We continue to make progress on the bond program, and we thank the volunteers, parents, school staff and community for their ongoing support!

•

7/8 Grade Addition to High School

- The architect continues to make progress on the design documents.
- The user group will meet in August for the final design presentation and budget update.

New Elementary K-6 Building

- We had a great kickoff and visioning meeting with the steering committee and school staff on June 25.
- Our next meeting will be on July 8 to review the early conceptual designs before narrowing the concepts and sharing them with the volunteer committee.

7/8 Gym

- We continue to explore the best location for the gym in either the high school or new K-6 building.
- Athletic Improvements

- Our priority is the educational spaces, so this project is on hold for now.
