

Central Elementary School

Supply List

2020-2021

Dear Parents/Guardians:

Welcome to the 2020-2021 school year. We are very excited for all that the upcoming school year has in store for us and are thankful for the work being done throughout the summer to help prepare the students for a successful year.

Attached you will find a copy of the supplies students will need in order to be prepared for the upcoming school year. When selecting materials, please consider purchasing name brand items such as Crayola, Elmer's, and Ticonderoga. These items last longer and create a better quality result for your child. We also ask that you do not buy additional items not listed. The students have limited storage space, and extra items often become distracting and make it more difficult for the students to stay organized.

For your convenience, the supply lists are available on TeacherList which will allow families access to a preloaded online shopping cart through many major distributors such as Target and Walmart. To access this resource, please go to teacherlists.com or to the elementary home page, select supply lists and click on the TeacherLists link.

As the summer progresses, continue to read with your child, participate in local library activities, use IXL at home, and practice appropriate math facts.

We are eager to see you at open house on Wednesday, September 2, 2020.

In Anticipation,

Central Elementary School
