POLICY 1.20 ON COVID-19 SCREENINGS

The Board of Directors is mindful of the evolving need for emergency measures to respond to the COVID-19 pandemic. In consideration of the recommendations issued by the Centers for Disease Control and Prevention, the Arkansas Department of Health, and the Arkansas Division of Elementary and Secondary Education, the Board is adopting this emergency policy for all students and employees of Fayetteville Public Schools.

Until further action of the Board, appropriate screenings shall be implemented for all students, employees and visitors of Fayetteville Public Schools, with particular compliance with the official screening questions and temperature-detecting requirements issued by the Arkansas Department of Health. The frequency, manner and place of such screenings shall be implemented under the direction of the Director of Health Services, in keeping with the recommendations of the Department of Health, the Centers for Disease Control and Prevention, and the Division of Elementary and Secondary Education.
