

SCHOOL BUS TRANSPORTATION AND DISCIPLINE

The Belle School District provides free transportation to those students who qualify for such transportation. This transportation service is provided only for "public" education and all School Board approved functions or activities.

The following policy is promulgated for the express purpose of providing a safe and efficient transportation system.

Bus drivers and supervisors shall have the same authority and responsibilities as a classroom teacher. This includes the authority to discipline and recommend suspension of bus riding privileges up to and including 5 days.

Any student who wished to appeal a decision must use and follow the School District grievance procedure. - (School Board; Policy JCA)

School Bus Courtesy Rules shall be posted in each bus.
