

“How to Login to itsLearning”

Presented by Your Academics and Student
Achievement Team

(It's not *really* us; it's our bitmojis.)

**Prior to attempting to
login...**

Wake.
Up.

(also, you'll need an internet browser and network access)

Heeeeeey! I'll be walking you through the login process for itslearning!
First, go to the top of your browser and type in estem.itslearning.com

In the username box, type
your name like this:
first.last

My name is Rocky Majors,
so I typed
rocky.majors

In the password box, if you are a tenth-grader, your password is your ID number.

If you are in grades 11 or 12, use your password from the previous semester.

If you can't remember your password, contact your teacher. Quickly.

The image shows a login page for eStem Public Charter Schools. At the top is the eStem logo, which consists of a blue globe icon with a yellow 'e' and the text 'Stem' in a bold, sans-serif font, with 'PUBLIC CHARTER SCHOOLS' in smaller text below it. Below the logo is the title 'eStem Public Charter Schools' in a large, bold, sans-serif font. Underneath the title is a link that says 'Not from eStem Public Charter Schools?'. The main login area has a heading 'Log in with itslearning' above two input fields. The first field contains the username 'rocky.majors'. The second field contains a series of dots representing a password. Below these fields is a green button with the text 'Sign in'. Under the button is a link that says 'Forgotten password?'. A cartoon character with blonde hair, a beard, and a light blue jacket is standing to the left of the login fields, pointing with both hands towards the password field. At the bottom of the page, there is a section with the heading 'Information' and the text 'No new' below it. At the very bottom, there are two links: 'Site course catalog' and 'Clean itslearning cookies'.

Good work! Go ahead and
celebrate. Briefly.

Next, if you are a tenth-
grader, you will be prompted
to change your password. Try
to use something that you
won't forget....

Dear Mrs. Young:

I have some questions about the assignment. The
numbers just don't seem to be adding up.

Respectfully,
Student
